## Focus Sessions

A single focus session can help you stay on a consistent course of added productivity throughout your day. This is a great tool for busy business or the Professional Technologist.

You've probably heard the old adage...

## Chapter Three

## Your Peak Energy Time

## The Planner

The one is detailed planner who is always organized on detailed plans, lists and notes. The one with no deadlines and always makes it for the list of the day.

Planners are not very spontaneous, however, and with creative thinking or working outside the box, difficult to contribute to group planning because they are more likely to think about the topic in detail.

## The Visualizer

You're the one who needs to juggle multiple projects to increase interest. Your list of ideas and long-term projects, but often have difficulty moving forward and/or others may feel confused because you often end projects going in a circle. The focus is on your ideas.

You are spontaneous, creative thinker and can use a planner and schedule changes. You can easily get lost in the details of the project and not know what to do next.

When working with groups of people, they often get lost in the details of the project and not know what to do next.

For Visualizers, listening skills and hearing needs to be improved and those without growing too fast and not...
