author's third publication is considered his breakout novel and has been optioned to be made into a film. The mystery novel with a splash of romance is addressed to young readers and is particularly well suited for the implementation in the English classroom. The novel discusses various themes affecting our everyday life such as consumerism and marketing and critically reflects the concept of being cool. This paper intends to analyze the novel by setting out literary and didactic aspects according to the text and to invent a teaching project for the EFL. It is divided into three parts. In part one the author's aims and the historical background of the novel are presented. Part two is concerned with the analysis of the text itself, the place and setting, the characters and the themes and concept described in the novel. And part three deals with the construction of the teaching project following the Rahmenlehrplan.

Twitter Revolution Deborah Micek, Warren Whitlock, 2008. NO RULES. The revolution is underway. The power of social media lies with the people who use tools like Twitter.com. You decide how to use your power. Our goal is not to create rules to follow on Twitter. We simply want to give you the best tips, resources and strategies to guide your success on Twitter at an accelerated pace. Our mission is to help you avoid trial and error as early adopters were forced to endure and help you participate in one of the greatest communication revolutions of our time. This book was designed to help show everyone from the small business owner to the CEO of a large corporation from work at home moms to politicians in Washington DC how they can participate in the fastest growing social network and micro blogging revolution taking place right now. Big Book of Virtual Teambuilding Games: Quick, Effective Activities to Build Communication, Trust and Collaboration from Anywhere! Mary Scannell, Michael Abrams, Mike Mulvihill, 2011-12-16. Get remote team members to interact as if they're in the same room. Whether you're videoconferencing with team members across the world or emailing a colleague sitting ten feet away, the truth is evident: technology has permanently altered the way we communicate. The virtual workplace can facilitate quicker decision making and reduced overhead. But the lack of face-to-face interaction can also impede trust, innovation and creativity among team members. The Big Book of Virtual Team Building Games is packed with games and activities for developing productive virtual teams across all digital platforms including email, mobile devices, web-based conferencing tools and social media sites such as Facebook, Twitter and Skype. The Big Book of Virtual Team Building Games helps you build a greater sense of community and reduce conflict. Increase levels of engagement. Get the most out of more introverted team members. Boost team members' productivity. Make sure that the only thing separating your people is distance. The Big Book of Virtual Team Building Games is just the tool you need to develop trusting relationships, foster clear communication and use technology to enhance the team's connections.
