Gothic for Girls Julia Round, 2019-10-29 Winner of the 2019 Broken Frontier Award for Best Book on Comics Today fans still remember and love the British girls comic Misty for its bold visuals and narrative complexities Yet its unique history has drawn little critical attention Bridging this scholarly gap Julia Round presents a comprehensive cultural history and detailed discussion of the comic preserving both the inception and development of this important publication as well as its stories Misty ran for 101 issues as a stand alone publication between 1978 and 1980 and then four more years as part of Tammy It was a hugely successful anthology comic containing one shot and serialized stories of supernatural horror and fantasy aimed at girls and young women and featuring work by writers and artists who dominated British comics such as Pat Mills Malcolm Shaw and John Armstrong as well as celebrated European artists To this day Misty remains notable for its daring and sophisticated stories strong female characters innovative page layouts and big visuals In the first book on this topic Round closely analyzes Misty s content including its creation and production its cultural and historical context key influences and the comic itself Largely based on Round s own archival research the study also draws on interviews with many of the key creators involved in this comic including Pat Mills Wilf Prigmore and its art editorial team Jack Cunningham and Ted Andrews who have never previously spoken about their work Richly illustrated with previously unpublished photos scripts and letters this book uses Misty as a lens to explore the use of Gothic themes and symbols in girls comics and other media It surveys existing work on childhood and Gothic and offers a working definition of Gothic for Girls a subgenre which challenges and instructs readers in a number of ways

[Worlds So Strange and Diverse](#) Grzegorz Trębicki, 2015-02-05 This book represents an analysis of contemporary fantasy non mimetic literature in all its richness and diversity and offers a preliminary definition of the major fields of taxonomical interest in addition to marking some of the unmapped territories of fantastic fiction In its first part the book presents an overview of all

major previous theoretical discussions of the issue particularly those by Tzvetan Todorov Rosemary Jackson Darko Suvin Brian Attebery Marek Oziewicz and Farah Mendlesohn The second part of the book provides an interesting comprehensive taxonomy of its own based on the notion of supragenological types of literature first introduced by Andrzej Zgorzelski
