Post Apocalyptic Story Blueprint:

Post-Apocalyptic Cultures Julia Urabayen, Jorge León Casero, 2024-03-19 This book advocates for the necessity of recovering the value of utopias as political projects that open new channels of action The criticism of modern political utopias is based on the supposed impossibility of creating for the future because there is no longer a future apocalyptic ideology However this edited collection seeks to show that the post apocalyptic world in which we live entails a renewed freedom of design for the radical reorganization of institutions Post apocalyptic cultures are not obligated to follow the capitalist anthropocentric correlationist and sovereign modes of the old political project of emancipation the Western enlightenment that has started to collapse With this in mind this book is divided into four sections dedicated to the main themes from which to rethink the projects of political emancipation that are possible nowadays technopolitics posthumanist biopolitics non western politics and the crossover between arts and politics

Transmedia Storytelling and the Apocalypse Stephen Joyce, 2018-08-21 This book confronts the question of why our culture is so fascinated by the apocalypse It ultimately argues that while many see the post apocalyptic genre as reflective of contemporary fears it has actually co evolved with the transformations in our mediascape to become a perfect vehicle for transmedia storytelling The post apocalyptic offers audiences a portal to a fantasy world that is at once strange and familiar offers a high degree of internal consistency and completeness and allows for a diversity of stories by different creative teams in the same story world With case studies of franchises such as The Walking Dead and The Terminator Transmedia Storytelling and the Apocalypse offers analyses of how shifts in media industries and reception cultures have promoted a new kind of open world building narrative across film television video games and print For transmedia scholars and fans of the genre this book shows how the end of the world is really just the beginning

Science Fiction and Contemporary British Theatre Ian Farnell, 2025-07-24 Analysing an expanding body of theatre and performance works Science Fiction and Contemporary British Theatre examines how the themes and images of science fiction are enabling practitioners to intervene on the most urgent social and political issues of the present moment By exploring the genre s impact on the live theatrical event the book presents an original and topical interrogation of issues that remain at the heart of the national and global political agenda including military conflict social injustice economic inequality migration nationhood anti democratic populism and climate collapse The author draws upon a wide range of dramatic forms from critically acclaimed plays by writers such as Alistair

McDowall Caryl Churchill Dawn King Anne Washburn and Ella Road to devised work site specific performance Shakespearean drama and physical theatre The book s chapters are based on some of the genre s most resonant images including post apocalyptic wildernesses dystopian regimes and artificial lifeforms Furthermore by placing examples in dialogue with a range of theories and scholars this book constructs an innovative interdisciplinary framework comprised of theatre studies sociology philosophy economic and political science Providing an engagingly written intellectually rich and uniquely compelling analysis Science Fiction and Contemporary British Theatre charts a new and growing landscape of scholarly research and establishes science fiction as an exciting expanding and urgent dramatic and political practice

Blueprint ,2009 **Routledge Handbook of Counter-Narratives** Klarissa Lueg,Marianne Wolff Lundholt,2020-10-22
Routledge Handbook of Counter Narratives is a landmark volume providing students university lecturers and practitioners with a comprehensive and structured guide to the major topics and trends of research on counter narratives The concept of counter narratives covers resistance and opposition as told and framed by individuals and social groups Counter narratives are stories impacting on social settings that stand opposed to perceived dominant and powerful master narratives In sum the contributions in this handbook survey how counter narratives unfold power to shape and change various fields Fields investigated in this handbook are organizations and professional settings issues of education struggles and concepts of identity and belonging the political field as well as literature and ideology The handbook is framed by a comprehensive introduction as well as a summarizing chapter providing an outlook on future research avenues Its direct and clear appeal will support university learning and prompt both students and researchers to further investigate the arena of narrative research Utopia Beyond Capitalism in Contemporary Literature Raphael Kabo,2023-06-15 Featuring readings of contemporary utopian poetry and fiction from authors such as Juliana Spahr Mohsin Hamid Bong Joon ho Kim Stanley Robinson Lidia Yukavitch and Cory Doctorow this book investigates the commons a form of organisation based on collectivity communalism and sharing as a type of transition between capitalist precarity and crisis and anti capitalist futures Each of the texts under examination was written in opposition to a particular crisis of the capitalist present inequality political representation mobility and climate change and develops a particular mode of utopian commoning Through its examination of these writers crises and texts this book reaffirms the use of utopianism as a tool for generating and representing alternative futures for a world in the midst of ongoing planetary crisis Sublimation and Superego Jared Russell,2021-11-29 This book integrates thinking about dilemmas faced in the context of the clinical practice of psychoanalysis today with contemporary social and political concerns specific to the age of the global consumer marketplace Beginning with an analysis of the fate of the concept of sublimation in Freud s work and its relationship to the elaboration of the concept of the superego in 1923 Jared Russell examines how these concepts provide a lever for integrating psychoanalytic thinking with topics of urgent social concern beyond the critique of ideology Taking up topics such as the

experience of time addiction to consumption and the general consequences of the insinuation of digital technologies at increasingly earlier stages in human development and thinking these through the lens of what the clinical practice of psychoanalysis teaches us about intimate human relatedness the book addresses how a philosophically oriented approach to psychoanalysis can illuminate our response to the problems of everyday life under conditions of late capitalism Drawing on a diverse range of authors such as Freud Heidegger Hans Loewald Christopher Bollas Lacan Deleuze and Bernard Stiegler it is argued that the concepts of sublimation and of the superego must be reinvented with regard to both clinical and critical discourse today if psychoanalysis is to remain relevant to the major issues we face both individually and collectively in the twenty first century Sublimation and Superego Psychoanalysis Between Two Deaths stages a unique encounter between philosophy critical theory and clinical practice that will be of interest to psychoanalysts scholars of twentieth century continental philosophy critical social theorists and mental health practitioners

Blueprints of the Afterlife Ryan Boudinot, 2012-01-03 A tour de force novel from the wickedly talented The Boston Globe and darkly funny author of Misconception The New York Times Book Review Finalist for the Philip K Dick Award It is the afterlife The end of the world is a distant distorted memory called the Age of Fucked Up Shit A sentient glacier has wiped out most of North America Medical care is supplied by open source nanotechnology and human nervous systems can be hacked Abby Fogg is a film archivist with a giggling feeling that her life is not really her own She may be right Al Skinner is a former mercenary for the Boeing Army who's been dragging his war baggage behind him for nearly a century Woo jin Kan is a virtuoso dishwasher with the Restaurant and Hotel Management Olympic medals to prove it Over them all hovers a mysterious man named Dirk Bickle who sends all these characters to a full scale replica of Manhattan under construction in Puget Sound An ambitious novel that writes large the hopes and anxieties of our time climate change social strife the depersonalization of the digital age Blueprints of the Afterlife will establish Ryan Boudinot as an exceptional novelist of great daring Duct tape yourself to the front of this roller coaster and enjoy the ride The New York Times Challenging messy and funny fiction for readers looking for something way beyond space operas and swordplay Kirkus Reviews The absurdities are cleverly crafted and highly entertaining Imaginative and heartfelt Hannah Calkins Shelf Awareness Ingenious Frenzied hilarious and paranoid A bracing dystopian romp through contemporary dread Publishers Weekly Probably the strangest post apocalyptic novel in ages io9 What an inspired mindfuck of a book City Paper Baltimore
