create a vision of the mothers they want to be and to provide them with the awareness tools and confidence to achieve that vision. By encouraging participants to connect with the content on a personal level, the curriculum helps mothers enhance their relationships with their children and other family members. The Amazing Moms program, including a Facilitator's Guide and Participant Workbook, goes beyond other parenting curricula addressing the complex intersection of female socialization, childhood and adolescent trauma, and relational struggles that can come between mothers and their children. It covers a broad range of topics including anger and shame, sex and sexuality, discipline, codependency, and self care. The curriculum will challenge participants and facilitators alike to approach the material with vulnerability to achieve lasting growth. Follow detailed plans for facilitating 16 two hour sessions on issues related to parenting designed specifically for mothers. Help participants develop self awareness and understand how their past trauma influences their emotions and behaviors. Encourage strong mother child relationships with skill building exercises and activities. Use techniques to foster safety, trust, openness and honesty in group settings. This curriculum is for all moms with children of all ages especially those who have found themselves in child protective services or some other aspect of the child welfare system.

Crime and Criminal Justice Stacy L. Mallicoat, Denise Paquette Boots, 2023-12-13. Crime and Criminal Justice, Third Edition provides accessible and comprehensive coverage of all aspects of the criminal justice system as well as innovative chapters on victims and criminal justice policy. Utilizing a format designed to increase student engagement and critical thinking, each chapter is followed by two Current Controversy debates that dive into a critical issue in criminal justice.
