An undiscovered allergy to the medication turned me into a full body burn victim almost overnight By the time I was released from the hospital I had lost 100% of my epidermis Even more importantly I had completely lost myself Now a professional coach who specializes in helping trauma victims rebuild their lives Michele Rosenthal struggled with the effects of medically induced post traumatic stress disorder PTSD for over 25 years before reaching a full recovery Today she is 100% free of symptoms of PTSD In this book she applies her personal experience and professional wisdom to offer readers an invaluable roadmap to overcoming their own trauma in particular the loss of sense of self that often accompanies it If you suffer from the effects of trauma or PTSD whether it was caused by a single incident like a car accident or from chronic childhood abuse domestic violence illness or war trauma you are well aware of how disconnected you feel from the person you most deeply wish to be Trauma interrupts even hijacks your identity To cope you may rely on mechanisms to keep your emotions triggers and responses in check but these very habits can often prevent the true restoration of safety stability and inner connection How can you rediscover your sense of self so that you honor who you were before the trauma even if that trauma began at birth understand who you are at this very moment and determine who you want to be going forward Like a therapist in your back pocket *Your Life After Trauma* guides you in finding answers to these tough questions Expertly written by a helping professional who keenly understands the post trauma identity crisis that is so common among trauma and PTSD sufferers it is a simple practical hands on recovery workbook Filled with self assessment questionnaires exercises tips and tools not to mention insightful personal and professional vignettes it takes readers through a step by step process of healing the identity crisis from understanding some of the basic brain science behind trauma and why you feel the way you do to recognizing who you were or had the potential to be before the trauma who you are today after the trauma and who you want to become With this book by your side it is possible to regain a sense of calm confidence and control on your road to recovery

The Trauma Heart Judy Crane, 2017-06-27 The majority of people addicted to substances or process addictions such as relationship disorders eating disorders self harming behaviors gambling or pornography are trauma survivors Many people caught in the web of addiction don't identify as trauma survivors until their personal familial intergenerational and in utero history is exposed Unfortunately relapse is inevitable without trauma resolution that can only take place once their history is exposed It is only when that happens that the behavior disorders will finally make sense For almost 30 years Judy Crane has worked with clients and families who are in great pain due to destructive and dangerous behaviors Families often believe that their loved one must be bad or defective and the one struggling with the addiction not only believes it too but feels it to their core The truth is the whole family is embroiled in their own individual survival coping mechanisms the addicted member is often the red flag indicating that the whole family needs healing In *The Trauma Heart* Crane explores the many ways that life's events impact each member of the family She reveals the essence of trauma and addictions treatment through the stories art and assignments of former clients and the staff who worked with them offering a snapshot of their pain and healing

Lied to Me About God Jamie Marich, PHD, 2024-10-15 An intimate and important memoir of deconstructing and reconstructing faith after abuse a spiritual memoir that does not shy away from abuse queerness or the multifaceted character of God Kirkus Reviews starred review A courageous vulnerable and spellbinding memoir that explores with visceral impact what happens when harm starts at home and is exalted as God s will For readers of Unfollow and Jesus Land Jamie Marich explores spiritual abuse intergenerational trauma and weaponized faith At nine years old Jamie Marich asked God to end it all Doing it herself would be an irrevocable sin an affront to the church and her father s God She prayed instead for the rapture an accident a passive death anything to stop the turmoil of feeling wrong wrong in her body wrong in her desires wrong in her faith in a merciful God that could love her wholly as she was You Lied to Me About God explores the schisms that erupt when faith is weaponized when abuse collides with the push and pull of a mixed religious upbringing tyhat tells you no matter which path you choose no matter what you know in your heart to be true you re probably damned With resilience strength and gut punching clarity Marich takes readers through a tumultuous coming of age marked by addiction escapism spiritual manipulation misogyny and abuse She shares with unflinching detail the complicity of her mother s silence and the lengths her father went to assert dominance and control over her body her desires her identity and even her eternal soul for her own good and with a side of televangelistic hellfire Hitting a breaking point Marich embarks on pilgrimage from shrines in Croatia to ashrams in Florida she reckons with what it means to come home to a faith that heals and accepts her wholly as she is in her queerness in her body and in her deep relationship to an expansive and loving God

The Trauma Survivor's Guide to Healing Travis Jessop, 2020-05-14 I understand the magnitude of damage left behind in the aftermath of trauma Not only through my years of coaching trauma survivors but because I too am a survivor of unimaginable trauma A few years ago I watched my 3 year old son die in an auto accident just days after losing my Dad to cancer Shortly after losing my son I found myself homeless and beyond broke I desperately needed help from somebody who not only understood trauma but had survived and HEALED after experiencing trauma I needed help and I didn t know where else to turn So I began weekly therapy sessions After thousands of dollars and many years of meeting with different counselors I was diagnosed with PTSD The diagnosis was great at least now I had a name for the beast in my head but I was still not feeling the peace I was desperately seeking So I began my quest to heal from PTSD on my own so I could get control over my mind and emotions and create a new life for myself my life after trauma I know from personal experience that trauma can destroy everything you value It can leave you broke mentally financially and spiritually It destroys friendships and relationships The very things you once placed so much value on no longer matter After years of studying trauma and PTSD I began to coach other trauma survivors and I dicovered that we all seem to have a common theme in the way our brains and bodies react when they try to process the trauma and damage that has taken place I made a promise to myself that when I had healed from trauma that I would help others heal from their traumas so I created a simple step by step guide in the pages of this short book called The

Gerald recognized that information on trauma in books and on the internet was written in academic terminology. Gerald believed it is important to write about trauma in layman's terms easy to understand that includes healing exercises. Having an understanding of trauma and knowledge of healing exercises is the foundation to healing trauma. In 2000, Gerald started to develop the book. With 16 years of research on trauma, post-traumatic stress disorder, and healing exercises and facilitating over 300 workshops throughout Canada, Gerald has developed this trauma healing guide that provides a clear and basic understanding of how trauma impacts the mind and body, a understanding of post-traumatic stress disorder and healing exercises to eliminate the stress from the traumatic event. Journal writing exercises are also included. The Trauma Healing Guide is a valuable resource for trauma survivors, community workers, caregivers, foster parents, military personnel, and veterans.

Voices From the Wreckage: Young Adult Voices in the #MeToo Movement Kimberly Karshner, 2023-04-18. *Voices From the Wreckage: Young Adult Voices in the MeToo Movement* is an edited collection by Kimberly Greenfield Karshner, Lorain County Community College. This collection focuses on situating young adult voices in the MeToo movement and into American culture and identity. Children's and young adult literature is an area of study that has rapidly evolved in the past ten years, bringing previously silenced voices to light. This is especially true for YA LGBTQ voices and also for young narrators who are not only discovering, celebrating, and coming to terms with their identities but also dealing with assaults on their identities. This collection will build on what writers like Laurie R. King Anderson have begun first with her groundbreaking book on sexual assault, *Speak*, published in 1999, and more currently her follow-up book *Shout*, 2019. These authors continue what Anderson started, exploring texts from the perspectives of YA male and female voices, Native American and international perspectives, and LGBTQ character representation. Chapters investigate various literary forms such as graphic novels, memoirs, and novels and cover topics such as sexual desire, consent, trauma, and survivorship. The literature featured in this volume will assure young people that they can tell their stories and that they will be heard. *Voices From the Wreckage* will be a valuable tool for anyone who teaches Young Adult Literature or for those who are avid readers and fans of the genre. The authors in this collection are starting and continuing very important conversations on the topic of sexual abuse and trauma, a conversation necessary for the intended audiences of these books and for adult readers and teachers who are facilitating the emotions connected to these topics.

[Subject Guide to Books in Print](#), 2001. *In an Unspoken Voice* Peter A. Levine, Ph.D., 2012-10-30. *Unraveling trauma in the body, brain, and mind: a revolution in treatment*. Now in 17 languages. In this culmination of his life's work, Peter A. Levine draws on his broad experience as a clinician, a student of comparative brain research, a stress scientist, and a keen observer of the naturalistic animal world to explain the nature and transformation of trauma in the body, brain, and psyche. *In an Unspoken Voice* is based on the idea that trauma is neither a disease nor a disorder but rather an injury caused by fright, helplessness, and loss that can be healed by engaging our innate capacity to self-regulate high states of arousal and intense emotions. Enriched with a coherent theoretical framework and compelling

case examples the book elegantly blends the latest findings in biology neuroscience and body oriented psychotherapy to show that when we bring together animal instinct and reason we can become more whole human beings
