Sue E Reviewer via NetGalley Put your mind in the right Space with this book Life gets the best of all of us sometimes but this book helps get your mind back into the positive space of life and it totally energized me beyond belief Highly recommend

Found on a book blog that features great book for Kindle Unlimited and read with my subscription Book Lover via Amazon Really enjoyed easy to read Loved the book easy to read glad it's on my kindle so i have it with me where ever i go But also got the printed version for home

Christine via Amazon So relatable and such a great read Couldn't recommend this book more Any reader could find a point that really sticks with them in the book and I would highly recommend Easy read couldn't put it down

Jessicah via Amazon In a society overflowing with information and demands this book serves as a guiding light offering practical advice and empowering stories to help readers navigate life's challenges and uncertainties Drawing from personal experiences the author delivers a comprehensive guide to cultivating positivity nurturing relationships and achieving personal goals From conquering stress and anxiety to embracing a life filled with passion and purpose Tips for Livin provides a valuable blueprint for fostering happiness and fulfillment

Abigail L Librarian via NetGalley Awesome Read Great Book Well written with an excellent collection of life lessons Chapter 15 Focus on the right people

Dave R via Amazon Love it and it's different I love this book I have read many different type of self help books this by far is my favorite I love that it's relatable and personal It's not your typical statistics formal fancy kind of self help book This book is for all walks of life There is always so much to learn

Alexis via Amazon Have read my fair share of self help books Some good many bad but Tips for Livin is unique in the genre and it is great The author has a no BS way of getting to the point He isn't a scientist He is a

guy who has lived and found a good way to navigate this life thing If you want to feel a little more inspired while also seeing the world from a cool perspective Then get Tips for Livin Mike V Reviewer via NetGalley Outstanding Reading Material This book has many great suggestions and learning episodes in and worth a read for sure A few hours and you re complete Tips for Livin Donald Anderson via Amazon A Life Companion Tips for Livin has a concise no fluff approach to the lived experience and our own hubris It covers topics from individuality self development discipline to relationships and creative momentum What I found refreshing about the writing style is that it conveys stoicism in a gentle yet colloquial manner that is applicable to the modern age If you re feeling stuck or overwhelmed this is definitely worth the read The author seamlessly distills eastern philosophy through a western lens offering guidance to all walks of life Although our paths may become difficult a little bit of grit and conscientiousness goes a long way Best enjoyed with a cup of coffee Misty via Amazon **Self-Care**

Edwards, Eric C. Miller, 2020-01-20 In *Rhetoric of the Protestant Sermon in America* Pulpit Discourse at the Turn of the Millennium ten scholars analyze notable sermons from the fifty year span between 1965 and 2015 during which the Protestant sermon has undergone significant change in the United States Contributors examine how this turbulent time period witnessed a variety of important shifts in the arguments evidences and rhetorical strategies employed by contemporary preachers Because religious practice is inextricably tangled in the culture politics and economy of its historical situation the public expression of a faith is certain to move with the times In their treatment of race sex gender class and citizenship sermons apply ancient texts to current events and controversies often to revealing effect This collection thoughtfully edited by Eric C Miller and Jonathan J Edwards demonstrates how the genre of the Protestant sermon has evolved or resisted evolution across the years Scholars of religion rhetoric communication sociology and cultural studies will find this book particularly useful      **How to Build Lasting and Effective Relationships** Digital World, 2024-03-03 Dale Carnegie's book *How to Win Friends and Influence People* is one of the most popular self help books in the world First published in 1936 it has sold millions of copies worldwide and is considered one of the most influential works of the 20th

century However although many people have been inspired and influenced by Carnegie s book the thesis of this e book is that the method he proposes can have negative consequences on your interpersonal relationships In this book we will examine each of the principles presented by Carnegie and critically analyze how they can be applied in real life We will argue that although some of the ideas presented in the book may have some value many of them are simplistic and ignore the complexity of human relationships Rather than blindly following Carnegie s method we advocate the importance of a more holistic and empathetic approach in our interactions with others We believe it is essential to recognize the diversity of individual perspectives and needs and develop healthy respectful human relationships based on mutual understanding and genuine dialogue Throughout this e book we hope to provide an alternative perspective to Carnegie s method and encourage readers to question their assumptions about what it means to win friends and influence people

Positive Thinking Theo Gold,2015-11-26 This book Positive Thinking Change your Attitude Change Your Life will do just what the title says it will change your life This is not your run of the mill power of positive thinking book It not only tells you about the power of positive thinking and how to utilize this to change your life but it also explains HOW this works how your mind works and why negative thinking can and will bring about negative consequences The author draws upon real life circumstances and analogies to bring the information contained within this book to life explaining in detail not only how or thinking can keep us from succeeding but tells us why it works the way it works and how we can combat it to help us succeed in meeting our goals and being the person we were truly meant to be He does this in a no nonsense straight forward manner encouraging us to be the best we can be by silencing those thoughts that tend to put us in this negative cycle In this book you will learn about How your mind works to realize your commands How to train your mind to think in positive patterns How to focus on the present and realize the only time is now How to quiet the inner voice of negativity How to overcome those outer voices of negativity How to get past your past How to focus on the present in order to meet your future goals and a whole host of other information to help us understand ourselves our minds and our potential for being the best we can possibly be I have personally read many self help books that promise to bring the power of positive thinking to reality but have often ended up disappointed and disillusioned with the feeling that there was something I was missing or maybe it was all just some sort of joke or hoax This book actually helped me to realize what it was I was missing where many of those books left me still spiraling out of control trying to use positive affirmations but still failing this book explained in detail the steps I need to take and helped me to really understand how positive thinking works One chapter titled The Power of Negative Thinking really brought it all into focus and showed me why previously I was unable to use positive thinking as I was already bogged down with so many negative thoughts This book also helps you in becoming aware of your self to recognize how you might react to situations then recognize the voice that guides you in your

reaction and finally using positive affirmations to release the negative By the time you are finished reading this book you will find yourself much more informed and equipped to do battle with negativity then you ever realized was possible The reading is easy and informative with man illustrations and examples so that you can get a great grasp of the subject matter regardless of your level of comprehension I read this book to my 9 year old just to see if he would get it and he actually understood the concepts just as well as I did once I finished reading it to him and immediately started putting the concepts into practice This is the best self help positive thinking book I have ever read which is why I took the time to write this description as a reader who has been looking for something like this for a long time I think you will agree that this book will definitely change your attitude and change your mind and will set you on a road to success through Positive Thinking Give it a read and let me know what you think in the comments below I just want to say if this doesn't help you to see the potential within your own mind nothing will Good reading
