Romance 101 Paul Director,2020-04-23 Romance 101 is the ultimate relationship guide for anyone looking

to make the most out of their relationship The book gives healthy relationship tips and advice to help you understand that the key to any relationship is romance This book will help break down the different aspects of romance in a relationship giving clear and engaging strategies to help you overcome any relationship issues In other words it is couples therapy without the therapist How to be romantic and rekindle love The best relationships do not start with physical action rather they start in the mind This book outlines how to build a tighter and more intimate bond between the couple which in turn can help to rekindle love and romance in the relationship Many relationship guides only focus on very specific issues within love or

marriage and fail to give practical advice However this book offers a variety of healthy relationship tips that anyone can use to immediately start improving the romance in their relationship How to spice things up in a relationship Romance is not just about love but also about the sexual attraction couples share If you want to spice things up in the bedroom or improve the sex in your relationship you first have to understand your partner on a deeper level It is no surprise that couples in long term relationships or couples that are struggling to be romantic may see sexual acts as a chore rather than a pleasurable activity The key to rekindling this romance is to re attract your partner by understanding exactly what they want In turn this will allow your sex life and love life to flourish simultaneously Overall this book offers great relationship advice for men and women alike to help couples rebuild their relationships rekindle their love and establish a happy future together **The Love Manual** ,1994-01-01
