**Dandelion Throne** Paige Suzanne Patno,2024 When I decided to write a fantasy romance or romantasy novel I knew it would be important to focus on what makes this novel different from others in the genre In today s leisure reading climate there is a plethora of content available to consumers usually in the form of accessible and self published titles With the oversaturation of publications in the genre Dandelion Throne has required that I be vigilant of my content to ensure I m contributing something new to the genre There are several common practices in fantasy writing I want to challenge in Dandelion Throne so I selected several touchstone pieces to draw inspiration from and or challenge when outlining and writing the novel As a writer it is important to pay attention to what books are popular in the genre I am writing Because of this I wanted to use Sarah J Maas A Court of Thorns and Roses series or ACOTAR as one of my touchstones I enjoy reading these novels but I also find glaring issues in the content that I wanted to challenge in Dandelion Throne I also decided to use Erika Johansen s Queen of the Tearling trilogy as another touchstone because her protagonist is well developed well written and would serve me well for inspiration writing a royal character Johansen s series manages to be both politically charged and accessible reading I admire the protagonist s keen skills in politics and diplomacy and thought it would serve me well when it came to writing about my protagonist s place on the throne My project is not a political fantasy but with my protagonist being in a royal role I want to be competent at writing political undertones and subplots to make her place on the throne believable
