

COSMOPOLITAN AMERICAN REGIONALISM AND LITERARY VALUE VISTAS

A landscape painting of a valley with a small town and a road. The foreground is filled with dark, textured foliage. A road or path leads towards a town with several buildings, including a church with a prominent steeple. The background features rolling hills and a bright, hazy sky.

MORI LUTZ

Cosmopolitan Vistas American Regionalism And Literary Value

Joe Amato

Cosmopolitan Vistas American Regionalism And Literary Value:

Cosmopolitan Vistas Tom Lutz, 2004 In a major statement on the relation of art and politics in America Tom Lutz identifies a consistent ethos at the heart of American literary culture for the past 150 years Through readings of Sherwood Anderson Willa Cather Hamlin Garland Ellen Glasgow Sarah Orne Jewett Sinclair Lewis Edgar Lee Masters Claude McKay Edith Wharton Anzia Yezierska and others Lutz identifies what he calls literary cosmopolitanism an ethos of representational inclusiveness of the widest possible affiliation and at the same time one of aesthetic discrimination and therefore exclusivity At the same time that it embraces the entire world in Lutz's view literary cosmopolitanism necessitates an evaluative stance and it is this doubleness this combination of egalitarianism and elitism that animates American literature since the Civil War The nineteenth century's realists and sentimentalists the writers of the Harlem Renaissance and of the Southern Renaissance the firebrands who brought in the new canon and the traditionalists who struggled to save the old all ascribe Lutz argues to the same cosmopolitan values however much they disagree on what these values demand of those who hold them

The

Oxford Critical and Cultural History of Modernist Magazines Peter Brooker, Andrew Thacker, 2009 This volume contains 44 original essays on the role of periodicals in the United States and Canada Over 120 magazines are discussed by expert contributors completely reshaping our understanding of the construction and emergence of modernism

Suburban Space, the Novel and Australian Modernity Brigid Rooney, 2018-11-15 Suburban Space the Novel and Australian Modernity investigates the interaction between suburbs and suburbia in a century long series of Australian novels It puts the often trenchantly anti suburban rhetoric of fiction in dialogue with its evocative and imaginative rendering of suburban place and time Suburban Space the Novel and Australian Modernity rethinks existing cultural debates about suburbia in Australia and elsewhere by putting novelistic representations of suburbs suburban interiors homes streets forms and lives over time in dialogue with the often negative idea of suburbia in fiction as an amnesic and conformist cultural wasteland Suburban space the novel and Australian modernity shows in other words how Australian novels dramatize the collision between the sensory terrain of the remembered suburb and the cultural critique of suburbia It is through such contradictions that novels create resonant mental maps of place and time Australian novels are a prism through which suburbs as sites of everyday colonization defined by successive waves of urban development are able to be glimpsed sidelong

Dear Appalachia Emily Satterwhite, 2011-10-01 Much criticism has been directed at negative stereotypes of Appalachia perpetuated by movies television shows and news media Books on the other hand often draw enthusiastic praise for their celebration of the simplicity and authenticity of the Appalachian region

Dear Appalachia Readers Identity and Popular Fiction since 1878 employs the innovative new strategy of examining fan mail reviews and readers geographic affiliations to understand how readers have imagined the region and what purposes these imagined geographies have served for them As Emily Satterwhite traces the changing visions of Appalachia across the decades from the Gilded Age 1865-1895 to the present she finds that

every generation has produced an audience hungry for a romantic version of Appalachia According to Satterwhite best selling fiction has portrayed Appalachia as a distinctive place apart from the mainstream United States has offered cosmopolitan white readers a sense of identity and community and has engendered feelings of national and cultural pride Thanks in part to readers faith in authors as authentic representatives of the regions they write about Satterwhite argues regional fiction often plays a role in creating and affirming regional identity By mapping the geographic locations of fans Dear Appalachia demonstrates that mobile white readers in particular including regional elites have idealized Appalachia as rooted static and protected from commercial society in order to reassure themselves that there remains an authentic America untouched by global currents Investigating texts such as John Fox Jr s *The Trail of the Lonesome Pine* 1908 Harriette Arnow s *The Dollmaker* 1954 James Dickey s *Deliverance* 1970 and Charles Frazier s *Cold Mountain* 1997 Dear Appalachia moves beyond traditional studies of regional fiction to document the functions of these narratives in the lives of readers revealing not only what people have thought about Appalachia but why *Nineteenth-Century Southern Women Writers* Melissa Heidari,Brigitte Zaugg,2019-08-12 The essays in this book explore the role of Grace King s fiction in the movement of American literature from local color and realism to modernism and show that her work exposes a postbellum New Orleans that is fragmented socially politically and linguistically In her introduction Melissa Walker Heidari examines selections from King s journals and letters as views into her journey toward a modernist aesthetic what King describes in one passage as the continual voyage I made Sirpa Salenius sees King s fiction as a challenge to dominant conceptualizations of womanhood and a reaction against female oppression and heteronormativity In his analysis of *An Affair of the Heart* Ralph J Poole highlights the rhetoric of excess that reveals a social satire debunking sexual and racial double standards Ineke Bockting shows the modernist aspects of King s fiction through a stylistic analysis which explores spatial temporal biological psychological social and racial liminalities Fran oise Buisson demonstrates that King s writing is inspired by the Southern oral tradition but goes beyond it by taking on a theatrical dimension that can be quite modern and even experimental at times Kathie Birat claims that it is important to underline King s relationship to realism for the metonymic functioning of space as a signifier for social relations is an important characteristic of the realist novel Stphanie Durrans analyzes *The Story of a Day* as an incest narrative and focuses on King s development of a modernist aesthetics to serve her terrifying investigation into social ills as she probes the inner world of her silent character Amy Doherty Mohr explores intersections between regionalism and modernism in public and silenced histories as well as King s treatment of myth and mobility Brigitte Zaugg examines in *The Little Convent Girl* King s presentation of the figure of the double and the issue of language as well as the narrative voice which she argues definitely inscribes the text with its understatement economy and quiet symbolism in the modernist tradition Miki Pfeffer closes the collection with an afterword in which she offers excerpts from King s letters as encouragement for scholars to seek Grace King as a primary source arguing that Grace King s own words seem best able to

dialogue with the critical readings herein Each of these essays enables us to see King s place in the construction of modernity each illuminates the continual voyage that King made *American Literary Realism* ,2005 **Writing the Rebellion**

Philip Gould,2013-06-27 Writing the Rebellion presents a cultural history of loyalist writing in early America dissolving the old legend that loyalists were more British than American and patriots the embodiment of a new sensibility **Regionalism**

and the Humanities Timothy R. Mahoney,Wendy Jean Katz,2008 Although the framework of regionalist studies may seem to be crumbling under the weight of increasing globalization this collection of seventeen essays makes clear that cultivating regionalism lies at the center of the humanist endeavor With interdisciplinary contributions from poets and fiction writers literary historians musicologists and historians of architecture agriculture and women this volume implements some of the most innovative and intriguing approaches to the history and value of regionalism as a category for investigation in the humanities In the volume s inaugural essay Annie Proulx discusses landscapes in American fiction comments on how she constructs characters and interprets current literary trends Edward Watts offers a theory of region that argues for comparisons of the United States to other former colonies of Great Britain including New Zealand Australia and Canada Whether considering a writer s connection to region or the idea of place in exploring what is meant by regionalism these essays uncover an enduring and evolving concept Although the approaches and disciplines vary all are framed within the fundamental premise of the humanities the search to understand what it means to be human *James Joyce's America* Brian

Fox,2019-02-14 James Joyce s America is the first study to address the nature of Joyce s relation to the United States It challenges the prevalent views of Joyce as merely indifferent or hostile towards America and argues that his works show an increasing level of engagement with American history culture and politics that culminates in the abundance of allusions to the US in Finnegans Wake the very title of which comes from an Irish American song and signals the importance of America to that work The volume focuses on Joyce s concept of America within the framework of an Irish history that his works obsessively return to It concentrates on Joyce s thematic preoccupation with Ireland and its history and America s relation to Irish post Famine history Within that context it explores first Joyce s relation to Irish America and how post Famine Irish history as Joyce saw it transformed the country from a nation of invasions and settlements to one spreading out across the globe ultimately connecting Joyce s response to this historical phenomenon to the diffusive styles of Finnegans Wake It then discusses American popular and literary cultures in terms of how they appear in relation to or as a function of the British Irish colonial context in the post Famine era and concludes with a consideration of how Joyce represented his American reception in the Wake **Reactionary Cosmopolitanism** Roxana Flavia Pop,2008 **American Literary Scholarship**

James Leslie Woodress,2004 **Revolting Whiteness** Jolene Hubbs,2009 *Midamerica* ,2006 *Thomas Eakins and the Cultures of Modernity* Alan C. Braddock,2009-03-31 Thomas Eakins and the Cultures of Modernity is the first book to situate Philadelphia s greatest realist painter in relation to the historical discourse of cultural difference In this study Alan C

Braddock reveals that modern anthropological perceptions of culture which many art historians attribute to Eakins did not become current until after the artist's death in 1916. Braddock finds in the work of Thomas Eakins a lifelong engagement with aesthetic and social currents that extended well beyond his native city of Philadelphia, indicating the persistence of a worldly sensibility long after he had concluded his formative studies in Europe during the 1860s. Braddock shows how Eakins developed a localized cosmopolitanism all his own, based in Philadelphia but tapped into a global field of visual production.

Jacket *The Marjorie Kinnan Rawlings Journal of Florida Literature*, 2007 *The Arizona Quarterly*, 2014 Western American Literature, 2013 **Industrial Poetics** Joe Amato, 2006-10 Publisher description **The Rise of Multicultural America** Susan Laura Mizruchi, 2008 Rise of Multicultural America Economy and Print Culture 1865-1915 James Stevens James H. Maguire, 2005 Biography and criticism of fiction writer James Stevens 1892-1971 with detailed summaries of his Paul Bunyan stories and of novels Brawnyman Mattock and Big Jim Turner Provided by publisher
