Countdown To The Apocalypse Why Isis And Ebola Are Only The Beginning:

Countdown to the Apocalypse Dr. Robert Jeffress, 2015-02-10 ISIS Ebola Social disorder Religious persecution Rampant immorality Are these the harbingers of the biblical apocalypse of the end of the world If they are what do they mean and when can we expect this to happen In this eye opening book prophecy insider Robert Jeffress offers a reasoned look at these signs and what Jesus Christ himself meant when he talked about a future so horrendous that no human lives would be spared unless those days were shortened Matthew 24:22 Did He have our time in mind All over the world people are aware that something unprecedented in human history is about to happen COUNTDOWN TO THE APOCALYPSE presents vital information that everyone both inside and outside the church needs to know to be prepared

The Immaculate Mistake

Rodney Wallace Kennedy, 2021-09-23 President Donald Trump originated his political career by claiming that Barack Obama was not born in the USA His birtherism theory was discredited but there's another possibility about birth Evangelicals have given birth to Donald Trump in the immaculate mistake Evangelicals are not a collection of dumb and irrational people they are the creators of the demolition presidency of Trump He is their child the result of almost one hundred years of evangelical angst resentment and hurt This is the story of how Trump has become a secular evangelical preacher and his message of fear hatred division and getting even has captured the hearts and minds of evangelicals Rather than dismissing them this work takes them seriously and literally and offers a frank and disturbing series of portraits of their determination to win at all costs

[Nebuchadnezzar's Dream](#) Jay Rubenstein, 2018-12-03 In 1099 the soldiers of the First Crusade took Jerusalem As the news of this victory spread throughout Medieval Europe it felt nothing less than miraculous and dream like to such an extent that many believed history itself had been fundamentally altered by the event and that the Rapture was at hand As a result of military conquest Christians could see themselves as agents of rather than mere actors in their own salvation The capture of Jerusalem changed everything A loosely defined geographic backwater comprised of petty kingdoms and shifting alliances Medieval Europe began now to imagine itself as the center of the world The West had overtaken the East not just on the world's stage but in God's plans To justify this its writers and thinkers turned to ancient prophecies and specifically to one of the most enigmatic passages in the Bible the dream King Nebuchadnezzar has in the Book of Daniel of a statue with a golden head and feet of clay Conventional interpretation of the dream transformed the state into a series of kingdoms each less glorious than the last leading inexorably to the end of all earthly realms in short to the Apocalypse The First Crusade signified to Christians that the dream of Nebuchadnezzar would be fulfilled on their terms Such heady reconceptions continued until the disaster of the Second Crusade and with it the collapse of any dreams of unification or salvation any notion that conquering the Holy Land and defeating the Infidel could absolve sin In Nebuchadnezzar's Dream Jay Rubenstein boldly maps out the steps by which these social political economic and intellectual shifts occurred throughout the 12th century drawing on those who guided and explained them The Crusades raised the possibility of imagining the Apocalypse as

more than prophecy but actual event Rubenstein examines how those who confronted the conflict between prophecy and reality transformed the meaning and memory of the Crusades as well as their place in history **Are We Living in the End Times?** Dr. Robert Jeffress, 2023-12-05 End Times Prophecy Does Not Need to Be Complicated Or Confusing Therefore be on the alert for you do not know which day your Lord is coming Matthew 24 42 The words of Jesus remind Christians that even though we do not know the date when He will return we need to have our finger on the pulse of what is happening morally spiritually and politically in our world And with the increasing chaos division and war happening today it is right to ask Are we living in the end times now In this book Dr Robert Jeffress provides biblical answers to seven frequently asked questions about the future 1 What Does the Bible Mean by the End Times 2 What Role Does Israel Play in the End Times 3 What News Events Signal the End Times 4 What Are the Major Events of the End Times 5 What s the Difference between the Rapture and the Second Coming in the End Times 6 Why Has God Delayed the End Times 7 How Do I Prepare for the End Times Getting answers to these questions and understanding the phenomenal events that are going to happen before the revelation of the King of kings and Lord of lords helps believers face the future with hope and confidence **Bible Prophecy and**

Today Ted Bates, 2019-08-08 Do you remember your elementary school days when your teacher held Show and Tell In my book Bible Prophecy and Today An Urgent Wake Up Call I take you back to those days I show you how Bible prophecies written thousands of years ago are being fulfilled today They are happening right before our eyes I show you how God s word and today s world tell the same story We are witnessing many end times Bible prophecies as they come into full fruition The Bible is alive It breathes and is relevant to your life While dark times and dangerous events are already occurring on our planet there is still a silver lining in the clouds for those who place their hope in Jesus I want to inform and counsel you as you travel through stormy troubled waters in order to guide you into the safe haven of the Lord s secure and everlasting arms He is what our hearts truly desire and He said Call to Me and I will answer you and show you great and mighty things which you do not know Jeremiah 33 3 Come and see how Bible prophecies are being fulfilled today and what that means for you Ted Bates Author

Die Christliche Rechte und Donald Trump Meike Elana Pagalies, 2024 Der vorliegende Beitrag wirft einen Blick auf die scheinbar berraschende Wahl Donald Trumps zum US Präsidenten im Jahr 2016 und auf die anhaltende Unterstützung seiner AnhängerInnen ber seine Amtszeit hinaus Diese Unterstützung vor allem durch die Christliche Rechte ist jedoch weniger unerwartet als es zunächst den Anschein erweckt Im Gegenteil sie reiht sich in die langjährige Unterstützung der Bewegung für konservative republikanische Präsidentschaftskandidaten ein Diese Arbeit untersucht unter anderem das divergente Verhältnis zwischen der Christlichen Rechten und Donald Trump sowie ihren Einfluss auf seine Wahl und spätere Politik
