**The Courage of Existence** Michael Destefano, 2015-11-30 Even from the darkest of shadows and depths of human frailty true heroism can emerge From an ocean apart the paths of Sister Ignatius once Mary Willow and Charlie Finn cross inside the Kalma refugee camp in Darfur They are transcendent souls in utter conflict with themselves one another the world at large and were dropped into a place of conflict where each in their own way forces the other to better understand an irreconcilable world During a time of unimaginable struggle the dark paths upon which they had once walked are revealed and from these confessions blossoms a depth of human spirituality once believed unattainable **New Statesman** ,1960

Why Courage Matters John McCain, Marshall Salter, 2004-04-13 NEW YORK TIMES BESTSELLER In this inspiring meditation on courage Senator John McCain shares his most cherished stories of ordinary individuals who have risked everything to defend the people and principles they hold most dear We are taught to understand correctly that courage is not the absence of fear but the capacity for action despite our fears McCain reminds us as a way of introducing the stories of figures both famous and obscure that he finds most compelling from the Nobel Peace Prize laureate Aung San Suu Kyi to Sgt Roy Benavidez who ignored his own well being to rescue eight of his men from an ambush in the Vietnam jungle from 1960s civil rights leader John Lewis who wrote When I care about something I'm prepared to take the long hard road to Hannah Senesh who in protecting her comrades in the Hungarian resistance against Hitler's SS chose a martyr's death over a despot's mercy These are some of the examples McCain turns to for inspiration and offers to others to help them summon the resolve to be both good and great He explains the value of courage in both everyday actions and extraordinary feats We learn why moral principles and physical courage are often not distinct quantities but two sides of the same coin Most of all readers discover how sometimes simply setting the right example can be the ultimate act of courage Written by one of our most respected public figures Why Courage Matters is that rare book with a message both timely and timeless This is a work for anyone seeking to understand how the mystery and gift of courage can empower us and change our lives Praise for Why Courage Matters John McCain the man remains one of the most inspiring public figures of his generation The Washington Post Book World Thrilling John McCain's profiles in courage offer inspiration A marvelous collection of stories featuring honest to God heroes Fort Worth Star Telegram Extraordinary McCain proves how courage can change lives and improve the world New York Daily News McCain is open and candid a refuge from spin and arrogance The Washington Post Wise words from a man who personifies courage The Sunday Oklahoman The Courage of Quiet Steps Michael Süthold, 2025-12-23 Discover the true power in small things The Courage of Quiet Steps is your companion on the path toward greater authenticity strength and serenity Forget the superhero myths true greatness lies in the courageous everyday decisions that can change our lives forever Through the inspiring story of Clara you'll learn how to say no without guilt see mistakes as opportunities and take the lead in times of crisis not with loud slogans but with quiet determination This book is more than a
