The Rise of the FORTH KINGDOM

He who reveals secrets has known to you what will be, for me, this secret has not been revealed to me because I have more wisdom than anyone living, but who make known the

Covenant The End Times Prophecy Of Daniel:

Covenant Baruch Battelstein,2007 The Book of Daniel in the Tanach Bible speaks of a time when the 4th kingdom which has already come upon the earth will be revived and arise to a place of pre eminence over all nations From this 4th kingdom the evil leader will come forth to rule and reign over the whole world for a short time Time two times and half a time or 3 years What we now see and experience as evil and violence is but a foretaste to the time of the rule and reign of the evil leader of the 4th kingdom yet to come upon the earth The pages within this book unveil much detail regarding world events some of which have already occurred others of which have been in the making for years and are about to become a full reality Spiritual discernment and understanding of these world events and how they are being woven together by the hand of G d are essential in order to give one a clear view of the larger picture regarding the rise and the destruction of this 4th kingdom Before the Messiah Himself comes to destroy this 4th kingdom and its evil leader G d will in His sovereignty use this 4th kingdom to fulfill His purposes of judgment both upon the nations and with His chosen people the Jews The connections between the written word of the Lord G d and the documented course of events taking place in the world today revealed within this book will not leave any doubt of G d s intentions of His heart the redemption of His people [Visual Endtime Study Guide](#)

B. Vincent Shelton,2014-10-29 The prophets of old warned that certain key end time prophecies wouldn t be revealed until the time of the end For centuries scholars have curiously wandered through a valley of endless supposition hoping to stumble upon a proper understanding of end time events Hence much of our teaching about the latter days is not strongly supported by scripture Well finally the the time of the end has come Today we can scripturally prove the answers to questions like Will the Rapture of the Church occur before during or after The Great Tribulation Period Will the Beast really be a man Will the Door of Salvation still be open when the tribulation period ends Who or what are the two hundred million killer horsemen in John s vision Is our interpretation of end time prophecy emotionally obscured The scripturally sound answers to these questions will likely surprise you [The Great Tribulation!](#)

Richard Guthrie,2014-12-12 The end times contain many exciting events we are all familiar with and think we fully understand The appearance and domination of the Antichrist throughout the world The rise and global domination of the

Revised Roman Empire resulting in a One World Government The Mark of the Beast that makes trade impossible anywhere on the Earth The universal devastation wrecked by the Four Horsemen of the Apocalypse The appearance of the spiritual harlot of Mystery Babylon and the end time false religion However consider the following What if the Antichrist will not become the universal or worldwide leader What if the Mark of the Beast is regional rather than global What if there is no Revised Roman Empire What if the Four Horsemen of the Apocalypse have already been loosed What if Mystery Babylon could never be the Roman Catholic Church Who did Jesus identify as the Mystery Babylon of Revelation What if the Twelfth Imam the Islamic Messiah is slain in the rebuilt Jewish Temple Why is it impossible to know the identity of the Antichrist until certain events unfold Why are the dates of the Rapture and that of the Second Coming both unknowable Who is left to enter into the Millennial Kingdom if there s a Post Tribulational Rapture Why are the identities of the two end time prophets unknowable What country is poised to play a major role within these end time events In a detailed and thorough analysis of Scripture The Great Tribulation explores these and many more questions related to the end time events in a step by step approach Using a literal interpretation of Scripture this eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic and straightforward for the novice

Christ Jeffrey Horton,2017-06-13 Behold I stand at the door and knock If anyone hears My voice and opens the door I will come in to him and dine with him and he with Me Rev 3 20 Wouldn t it be great if you could open the door invite Jesus into your home and ask Him when He s coming back All the confusion about the events surrounding Christ s return would vanish as He explains the Scriptures to you You would have your own Emmaus Road journey Like the apostles and first century disciples you could say that He opened the eyes of your understanding That s exactly what this series does by unfolding in an easy to follow manner what God s Word shows us and what Jesus taught Each of the three books focuses on three critical end time revelations that open the door of our understanding surrounding the events of Christ s return The New Testament apostles received these keys from Jesus Himself Over the centuries these revelations were lost or watered down leaving us flustered and even fearful That s not God s will It s time to let the Word speak for itself with a message of comfort hope and victory This second book in the Emmaus Road journey walks you through one of the most significant end time prophecies in the Bible You may be surprised to find that it is all about Christ s first and second comings not the future Antichrist Step by step you ll see how this prophecy accurately predicted when Jesus would first appear as the Messiah almost five hundred years in advance foreshadowed the restful end to the need for sacrificial offerings through the death and resurrection of

Jesus and most importantly predicts what Christ will accomplish when He comes again *The Amazing Claims of Bible Prophecy* Mark Hitchcock, 2010-04-01 With over 500 000 Bible prophecy books sold Mark Hitchcock is fast becoming one of the most popular and widely trusted voices on this topic The Amazing Claims of Bible Prophecy is his newest release This book takes a fascinating look at one of the most important aspects of Bible prophecy It confirms the divine origin and complete reliability of God's Word Only God who is all knowing can tell what lies ahead with 100 percent accuracy Readers will examine ten past prophecies and their astounding fulfillments all of which serve as profound evidence for both unbelievers and believers that God's Word can be trusted Readers will also explore ten future prophecies and see how today's events foreshadow the fact Earth's final hour is near This resource will encourage believers toward a deeper confidence in the Word and equip them with a powerful defense against those who question the Bible's truth claims [Daniel 11 and the Medieval Divided Kingdoms](#) Perry F. Louden, In his detailed study of Daniel 11 the author seeks to extend the thematic parallelism between Daniel 2 7 8 and 9 to Daniel 10 12 Drawing on well established Adventist principles of interpretation and insights on Daniel 11 from the Spirit of Prophecy the author proposes that Daniel 11 follows the well established sequence of historical powers outlined in Daniel 2 7 8 He argues that the common Adventist interpretation in which the narrative moves forward in time to the crucifixion in v 22 only to then move back in time to the Maccabean alliance is without exegetical basis nor interpretive precedent within Daniel The author then provides a new interpretation of Daniel 11 23 29 arguing that this particular passage with its confrontation between the Kings of the North and the South represents the conflicts between the two competing and persecuting unions of church and state that followed imperial Rome i e Papal Rome and Byzantium This transition from imperial to papal Rome and to a persecuting union of church and state in Daniel 11 23 29 mirrors the same sequencing of powers found in Daniel 2 7 8 The author then moves to a commonly held Adventist interpretation particularly from the time of Louis Were onwards for vv 36 39 arguing that these verses represent the full flowering of papal arrogance and supremacy prior to the ending of the 1 260 year prophecy Particularly insightful is how the author sequences verses 23 39 against the flow of chapters in The Great Controversy between Christ and Satan by Ellen G White The author arrives at v 40 interpreting as do many Adventist interpreters the time of the end as beginning at the end of the 1 260 year prophecy i e in AD 1798 but the author does not provide a detailed analysis of the conflict between the Kings of the North or the South in vv 40 45 While the identity of the KON is clear papal Rome backed by the military might of the West in general and the USA in particular the identity of the KOS remains more obscure although the author does indicate provisional backing for the atheism interpretation held commonly among Adventists since the writings of Louis Were and Dr Hans LaRondelle Detailed appendices provide helpful interpretive information to guide the reader in further study Throughout the book the author seeks to follow well established Adventist principles of interpretation which he helpfully outlines early on and a brief but detailed analysis of the commentary found in the Spirit of Prophecy He builds his case on the well established portrayal of a

persecuting union of church and state that would arise after pagan Rome in Daniel 2 7 8 This approach lends credibility to the conclusions relating to the identities of the KON and the KOS in 11 23 39 Further work is required however to identify how and if the KOS in vv 40 45 is also a persecuting union of church of state or a secular equivalent if the well established patterns found earlier in Daniel are to be continued throughout Daniel 11 This book is a welcome and insightful addition to the ongoing prayerful reflection on this critical portion of eschatological prophecy within the wider SDA community Dr
