### **Covenant Death Iron Rhetorical Proto Isaiah:**

**A Covenant with Death** Christopher B. Hays, 2015 Shows how ancient Near Eastern attitudes toward death illumine the Hebrew Bible Death is one of the major themes of First Isaiah although it has not generally been recognized as such In this work Christopher Hays offers fresh interpretations of more than a dozen passages in Isaiah 5 38 in light of ancient beliefs about death What especially distinguishes Hays s study is its holistic approach as he brilliantly synthesizes both literary and archaeological evidence resulting in new insights Hays first summarizes what is known about death in the ancient Near East during the Second Iron Age covering beliefs and practices in Mesopotamia Egypt Syria Palestine and Judah Israel He then shows how select passages in the first part of Isaiah employ the rhetorical imagery of death that was part of their cultural context further he identifies ways in which these texts break new creative ground [A History of Death in the Hebrew Bible](#) Matthew J. Suriano, 2018 Postmortem existence in the Hebrew Bible Old Testament was rooted in mortuary practices and conceptualized through the embodiment of the dead But this idea of the afterlife was not hopeless or fatalistic consigned to the dreariness of the tomb The dead were cherished and remembered their bones were cared for and their names lived on as ancestors This book examines the concept of the afterlife in the Hebrew Bible by studying the treatment of the dead as revealed both in biblical literature and in the material remains of the southern Levant The mortuary culture of Judah during the Iron Age is the starting point for this study The practice of collective burial inside a Judahite rock cut bench tomb is compared to biblical traditions of family tombs and joining one s ancestors in death This archaeological analysis which also incorporates funerary inscriptions will shed important insight into concepts found in biblical literature such as the construction of the soul in death the nature of corpse impurity and the idea of Sheol In Judah and the Hebrew Bible death was a transition that was managed through the ritual actions of the living The connections that were forged through such actions such as ancestor veneration were socially meaningful for the living and insured a measure of immortality for the dead

**Violence against Women and Children in the Hebrew Bible** Kristine Henriksen Garroway, Hyun Chul Paul Kim, John W. Martens, 2024-09-19 What did violence against women and children mean for ancient audiences and how do modern audiences hear and process the meaning of violence in the texts of the Hebrew Bible The rape of Tamar the sacrifice of Jephthah s daughter babes ripped from the womb during war texts such as these are hardly fodder for Sunday School classes yet we are left with the reality that the Bible is a violent text full of war murder genocide and destruction often carried out at the behest of God The essays in this volume explore ways in which the Hebrew Bible uses and abuses women and children to make indelible points concerning the people of Israel the lived realities of the Israelite society and God s relationship to His people Where other works turn to the study of the violence itself or to the divine nature of violence this volume focuses in on the human component As a result these studies are reminders that women and children born out of trauma are at once vulnerable and valuable fragile and resilient **Post-mortem Divine Retribution** Angukali Rotokha, 2023-05-31 While a

Christian understanding of divine judgement tends to focus on the afterlife the Hebrew Bible is far more concerned with divine retribution as something experienced in this life Yet if the same God enacts both should there not be significant continuity between biblical accounts of divine retribution whether experienced in this world or the hereafter In this study Dr Angukali Rotokha provides an overview of Old Testament and Second Temple sources that express conceptions of post mortem judgement Alongside these passages she examines the perspective on judgement presented in Deuteronomy with its orientation towards divine retribution as experienced on this side of death She explores Deuteronomy s varying emphases on the impersonal anthropocentric theocentric and limited aspects of divine retribution as well as the relevance of these conceptions to the descriptions of post mortem judgement found in Isaiah Daniel 1 Enoch and 2 Maccabees In clarifying points of continuity and discontinuity between earthly and post mortem divine retribution she provides a foundation for deeper insight into the Judeo Christian understanding of both God s judgement and God s grace

### **The Dying Child**

Kristine Henriksen Garroway,2025 The death of a child is perhaps the most painful heartbreaking and seemingly unnatural experience we have the displeasure of living with Yet it is difficult to say with certainty whether or not this sentiment was shared by the inhabitants of ancient Israel Many studies have explored death in ancient societies by examining types of burial burial rites biblical notions of death and the afterlife care for the dead even cults of the dead yet no single study has been devoted to children and death in ancient Israel The study of childhood death is tightly entwined with the concerns of a field that is relatively new to the scholarship of ancient Israel personhood An exploration of the concept of personhood is needed in the context of childhood death In The Dying Child Kristine Henriksen Garroway argues for a stronger position of the child in current archeological trends Many archaeologists hesitate to ascribe various domestic objects to children despite their obvious presence in the ancient home This functionally ignores an entire class of people in the study of death In acknowledging the personhood of children in burials and other deathly rituals Garroway considers emotional and personal aspects of ancient Israeli life filling a critical gap in our understanding of this culture

Spykerman,2013-09-09 *Isaiah's Servant in Paul* Daniel M. I. Cole,2021-07-02 Paul seems to read Isaiah s Servant with reference to himself Daniel Cole examines Paul
