Dave Barry's Complete Guide To Guys:

Dave Barry's Complete Guide to Guys Dave Barry, 1995 In this wholly original book except for one classic column on testosterone Pulitzer Prize winning journalist Dave Barry explains why the American guy is not to be confused with a husband father hunk or intellectual and provides tips for women who want to better understand the species Dave Barry's Complete Guide to Guys Dave Barry, 1997-05-18 For thousands of years women have asked themselves What is the deal with guys anyway What are they thinking The answer of course is virtually nothing But that has not stopped Dave Barry from writing an entire book about them dealing frankly and semi thoroughly with such important guy issues as Scratching Why the average guy can remember who won the 1960 World Series but not necessarily the names of all his children Why guys cannot simultaneously think and look at breasts Secret guy orgasm delaying techniques including the Margaret Thatcher Method Why guys prefer to believe that there is no such thing as a prostate From the Paperback edition **Dave Barry's Complete Guide to Guys** Dave Barry, 1996-09 **Dave Barry Hits Below the Beltway** Dave Barry, 2002-10-29 Just in time Dave Barry supplies the wholly original much needed history and guide to the new American politics and its three capitals Washington D C Austin and South Florida No surprise it s hilarious Understanding the urgent need for a deeply thoughtful balanced book to explain our national political process Dave Barry has not even come close Though he himself has covered many campaigns run for President several times and run for cover at the rainy inauguration of George W Bush the man will spare nothing for his art Barry has instead outdone himself Below the Beltway includes Barry s stirring account of how the United States was born including his version of a properly rewritten Declaration When in the course of human events it behooves us the people not to ask What can our country do for us anyway but rather whether we have anything to fear except fear itself and a revised Constitution Section II The House of Representatives shall be composed of people who own at least two dark suits and have not been indicted recently Dave also cracks the income tax code explains the growth s of government congressional hearing difficulties and the persistent rumors of the influence of capital in the Capitol Among other civic contributions his tour of Washington D C should end school class trips forever Dave Barry's Guide to Marriage And/or Sex Dave Barry, 1987-10 No book can guarantee you a long and happy relationship even if the author didn t know about your secret hygiene problem But the cover of a book is no place to discuss that In Dave Barry s Guide to Marriage and or Sex one of America s most beloved writers turns his keen if somewhat rheumy eye to the institution of marriage Dating These are nonstereotypical times we live in by which I mean that it is the responsibility of the woman to think up excuses that get progressively more obvious until the man figures out that the woman would rather chew on a rat pancreas Sex I m afraid that we must talk here about sex in a very explicit manner because we want to expand the Frontiers of Human Understanding and also we want to sell as many books as possible to adolescent boys Marriage Most squabbles start with money For example you want to buy food while your spouse wants to buy a thoroughbred racehorse It s important in these

situations for both of you to be willing to sit down and try to achieve a workable compromise In this case you could buy a thoroughbred racehorse and eat it Dave Barry's Guide to Life Dave Barry,1991 Contains the complete and unabridged texts of Dave Barry s guide to marriage and or sex Babies and other hazards of sex Stay fit and healthy until you re dead and Claw your way to the top **Dave Barry Is from Mars and Venus** Dave Barry,2009-08-26 Pulitzer Prize winning journalist bestselling author and Wheel of Fortune contestant Dave Barry exposes the shattering truth Whether he s splashing with the U S sychronized swim team Picture a bunch of elegant swans swimming with a flailing sea cow or reliving the Pilgrims first Thanksgiving We ve decided to obliterate your culture but first may we try the stuffing Dave Barry proves that one man can make a difference by having the guts to answer the questions few people bother to ask What makes people want to eat animals they would never consider petting Where do the World s Three Most Boring People meet Why is Colorado freezing so many human gonads And just how does Oprah have the power to turn a 1957 Hotpoint toaster manual into a 1 bestseller

Dave Barry's Money Secrets Dave Barry,2006-01-17 Did you ever wish that you really understood money Well Dave Barry wishes that he did too But that hasn t stopped him from writing this book In it Dave explores as only he can such topics as How the U S economy works including the often overlooked role of Adam Sandler Why it is not a good idea to use squirrels for money Strategies that will give you the confidence you need to try for a good job even though you are let s be honest a no talent loser How corporate executives simply by walking into their offices immediately become much stupider An absolutely foolproof system for making money in the stock market requiring only a little effort and access to time travel Surefire tips for buying and selling real estate the key being Never buy or for that matter sell real estate How to minimize your federal taxes safely and legally by cheating Why good colleges cost so much and how to make sure your child does not get into one How to reduce the cost of your medical care by basically not getting any Estate planning especially the financial benefits of an early death And many many pictures of Suze Orman But that s only the beginning Dave has also included in this book all of the important points from a book written by Donald Trump so you don t have to read it yourself Plus he explains how to tip how to negotiate for everything including bridge tolls how to argue with your spouse about money and how much allowance to give your children three dollars is plenty He also presents for the first time in print anywhere the Car Dealership Code of Ethics Ethic Seven The customer is an idiot Also there are many gratuitous references to Angelina Jolie naked You can t afford not to buy this book Probably you need several copies What kind of financial shape are you in right now This scientific quiz will show you Be honest in your answers If you lie you ll only be lying to yourself The place to lie is on your federal tax return What is your annual income 1 More than 50 000 2 Less than 50 000 3 However much I get when I return these empties Not counting your mortgage how much money do you currently owe 1 Less than 10 000 2 More than 10 000 3 Men are threatening to cut off my thumbs How would you describe your portfolio 1 Conservative mainly bonds and blue chip equities 2 Aggressive mainly options and speculative stocks 3 My what When analyzing an investment what do you consider

Taking This Sitting Down Dave Barry, 2011-01-26 Pulitzer Prize winning humorist Dave Barry is a pretty amiable guy But lately he s been getting a little worked up What could make a mild mannered man of words so hot under the collar Well a lot of things like bad public art Internet millionaires SUVs Regis Philbin and even bigger problems like The slower than deceased livestock left lane drivers who apparently believe that the right lane is sacred and must never come in direct contact with tires The parent misery quotient of last minute school science fair projects Day trading and other careers that never require you to take off your bathrobe The plague of the low flow toilets which is so bad that even in Miami where you can buy drugs just by opening your front door and yelling Hey I want some crack you can t even sell your first born to get a normal flushing toilet Dave Barry is not taking any of this sitting down He s going to stand up for the rights of all Americans against ridiculously named specialty chino coffees and the IRS Just as soon as he gets the darn toilet flushed *Dave Barry's Gift Guide to End All Gift Guides* Dave Barry, 1996-12-08 *Dave Barry's Only Travel Guide You'll Ever Need* Dave Barry, 1992 Humorous look at the many aspects of travel from air travel to European bus tours *Dave Barry Turns 50* Dave Barry, 1998 And no he s not going to whine about it In fact he s not going to dwell on the negative aspects of turning 50 at all like the weight gain that results from merely watching food commercials or that you discover random hairs sprouting from unexpected sectors of your body Instead Dave is going to make all of you out there under the half century mark envious with a rundown of the advantages of turning 50 For instance you know all those newspaper articles about Middle East turmoil you read because you think you should Dave doesn t read em because with his eyes he can t And you know all that energy you expend trying to look and sound hip Dave doesn t because after 50 it s hopeless and he s through trying to be one of the Boyz N the Burbz And Dave writes not only about being 50 but also about 50 years of inventions Oreos Silly Putty arts Howdy Doody TV commercials politics the Cold War the Cold War and more of the Cold War and other baby boomer nostalgia So call Dave and let him know how much you re looking forward to reading *Dave Barry Turns 50* But not right now he s sleeping Ten Signs That You Might Be Losing It 1 You tend to forget things 2 When you drive your car you notice that people yell at you a lot Often these people are lying on your hood 3 On more than one occasion while shaving you have noticed that your razor seemed kind of dull Upon closer examination your razor turned out to be your toothbrush 4 You re always searching for the

right word or name You ll be telling an anecdote and you ll get stuck on a name and you ll tell your listeners You know That guy With the thing He has that thing Thatguy And everybody will start trying to guess who you re talking about as if you re playing charades and finally after ten minutes of this it will turn out that the name you re trying to remember is The Pope By this time of course you have no recollection of the original anecdote 5 You sometimes address your spouse as General Eisenhower 6 You tend to forget things 7 You sometimes wear a bathrobe to the office 8 And it isn t your office 9 It isn t your bathrobe either 10 You tend to forget things

Big Trouble Dave Barry,2010-07-06 Dave Barry makes his fiction debut with a ferociously funny novel of love and mayhem in south Florida In the city of Coconut Grove Florida these things happen A struggling adman named Eliot Arnold drives home from a meeting with the Client From Hell His teenage son Matt fills a Squirtmaster 9000 for his turn at a high school game called Killer Matt s intended victim Jenny Herk sits down in front of the TV with her mom for what she hopes will be a peaceful evening for once Jenny s alcoholic and secretly embezzling stepfather Arthur emerges from the maid s room angry at being rebuffed Henry and Leonard two hit men from New Jersey pull up to the Herks house for a real game of Killer Arthur s embezzlement apparently not having been quite so secret to his employers after all And a homeless man named Puggy settles down for the night in a treehouse just inside the Herks yard In a few minutes a chain of events that will change the lives of each and every one of them will begin and will leave some of them wiser some of them deader and some of them definitely looking for a new line of work With a wicked wit razor sharp observations rich characters and a plot with more twists than the Inland Waterway Dave Barry makes his debut a complete and utter triumph

Dave Barry is Not Making this Up Dave Barry,1994 Since Dave Barry writes about weird things you might be tempted to think he has a weird brain He does of course but that s not the whole explanation A lot of the things he writes about exploding Pop Tarts for example are real In fact Dave s main job as a humor columnist aside from playing Stealth Fighter on his computer to avoid writing humor columns is to point out what is already funny in a world that is seriously bonkers In Dave s world amazing but true adventures occur every day as the Pulitzer Prize winning columnist investigates a ground breaking anti flatulence product recommended to him by a justice of the U S Supreme Court the ecologically dangerous shellfish attacking women s undergarments and the epidemic of snakes and woodland creatures currently appearing in people s toilets Dave s bad song contest required him to read thousands of entries from people like you now people like you could have the pleasure of being badgered all the bad songs that badger Dave Dave also participates in real life form of investigative journalism that actually require him to leave the house marching with the Lawn Rangers precision lawnmower drill team of Arcola Illinois playing lead guitar in an extremely mediocre rock band with Stephen King and other literary lights and taking his little boat Buster from its happy berth in the Barry garage onto Miami s high seas only to run it aground He s even appeared in an episode of Dave s World the CBS television show based on his real life only taller in which he bids for an air conditioner Dave Barry Is Not Making This Up includes longer feature pieces by Dave in which

many of the featured facts happen to be accurate Now you can read Dave Barry on UFO thrillseekers and the Elvis lovers who hang out at Graceland all articles that show Dave at his best and smartest Complete with illustrations by Pulitzer Prize winning cartoonist Jeff MacNelly Dave Barry is Not Making This Up brings you straight into the truly twisted center of Dave's world On Buying His Son Sneakers The salesperson's tone of voice carried the clear implication that he was going to call the Child Abuse Hotline if I didn't care enough as a parent to take out a second mortgage so I could purchase sufficient sneakerage for my son We need Congress to pass a law requiring the sneaker industry to return to the system we had when I was growing up under which there was only one kind of sneakers namely U S Keds which were made from Army surplus tents and which cost about 10 or roughly 1 per pound On Being Left Handed According to the researchers left handers die sooner than right handers because they have more accidents I know why this is We read books backward This saves us a lot of time with murder mysteries but it's a bad habit when we're reading say the instructions for operating a barbecue grill and we begin with Step 147 Ignite Gas On The Uses Of Exploding Pop Tarts When we detected incoming missiles we'd simply hold the toaster levers down via some method possibly involving Tom and Roseanne Arnold and within a few minutes Whoom the country would be surrounded by a protective wall of flames and the missiles would either burn up or get knocked off course and detonate harmlessly in some place like New Jersey On Readers Reaction To The Bad Song Contest Sometimes the voters were so angry that they weren't even sure of the name of the song they hated There were votes against These Boots Are Made for Stomping the Beach Boys classic Carolina Girls I'm Nothing But a Hound Dog and Ain't No Woman Like the One Eyed Gott *Dave Barry's Bad Habits* Dave Barry, 2003 Dave Barry's Bad Habits won't rot your teeth cause your insurance premiums to go up or make your kids go cross eyed if they sit too close to it It will however make you laugh so hard your middle actually moves the best exercise and possibly the only kind you'll be interested in after forty Here preserved for all time are Barry's profoundest musings on such topics as how to get kids to stop smoking eliminate tenth grade what to do if your car is making loud noises turn up the radio and a solution to the battle of the sexes let the men do housework say for the next six thousand years to even things up Together they serve to expose the little insanities of everyday life and assure us that we're not completely alone in a world gone mad Included in the Beeler Select Standing Order Plan *Claw Your Way to the Top* Dave Barry, 1986 A humorous guide with valuable advice and tips for moving up the corporate ladder
