Online having his work translated into multiple languages for Ekim Kaya's 100 000 students Within just a few years of learning from Ekim Kaya Matthew was financially independent Matthew wants his story to inspire people that no matter the history of their education no matter how much debt they're in no matter what their current circumstances anyone can change the future of their education Gumke University The Future of Education **The Gospel of Wellness** Rina Raphael, 2022-09-20 Next level revelatory Sarah Knight New York Times bestselling author of The Life Changing Magic of Not Giving a F ck Excellent Rina really knows her shit I'm so thankful for this book Jameela Jamil actress and host of I Weigh Journalist Rina Raphael looks at the explosion of the wellness industry how it stems from legitimate complaints how seductive marketing targets hopeful consumers and why women are opening up their wallets like never before Wellness promises women the one thing they desperately desire control Women are pursuing their health like never before Whether it's juicing biohacking clutching crystals or sipping collagen today there is something for everyone as the wellness industry has grown from modest roots into a \$4.4 trillion entity and a full blown movement promising health and vitality in the most fashionable package But why suddenly are we all feeling so unwell The truth is that deep within the underbelly of self care hidden beneath layers of clever marketing wellness beckons with a far stronger more seductive message than health alone It promises women the one thing they desperately desire control Vividly told and deeply reported The Gospel of Wellness reveals how this obsession is a direct result of women feeling dismissed mistreated and overburdened Women are told they can manage the chaos ruling their life by following a laid out plan eat right exercise meditate then buy or do all this stuff And while wellness may have sprung from good intentions we are now relentlessly flooded with exploitative offerings questionable ideas and a mounting pressure to stay devoted to the divine doctrine of wellness What happens when the cure becomes as bad as the disease With a critical eye humor and empathy wellness industry journalist Rina Raphael examines how women have been led down a kale covered path promising nothing short of salvation She knows Raphael was once a disciple herself trying everything from clean eating to electric shock workouts until her own awakening to the troubling consequences Balancing the good with the bad The Gospel of Wellness is a clear eyed exploration of what wellness can actually offer us knocking down the false idols and commandments that have taken hold and ultimately showing how we might shape a better future for the movement and for our well being **How to Go Viral on TikTok** Leticia Gus, 2025-07-23 How to Go Viral on TikTok Proven Algorithm Based Strategies Crack the TikTok code turn every post into a viral opportunity This in depth data driven guide reveals exactly how TikTok's sophisticated 2025 algorithm works and how you can master it to achieve viral growth With over 1 billion users standing out requires more than creativity it demands strategy This manual provides step by step instructions on maximizing engagement riding trends early and building a consistent presence that the algorithm loves Inside you'll learn The key algorithm signals that trigger viral distribution How to craft irresistible hooks in the first 3 seconds Data backed best practices for video length posting times and formats The
