## **YouTube Review Global Trend:**

**OECD Public Governance Reviews Global Trends in Government Innovation 2023** OECD,2023-05-15 In the face of what has increasingly been referred to as an ongoing permacrisis governments must cope with and respond to emerging threats while already grappling with longstanding issues such as climate change digital disruption and low levels of trust In this context understanding new approaches and spreading successful ideas has never been more important Digital Public Relations and Marketing Communication Trends in Africa Anne W. Njathi,Brandi Watkins,2024-06-07 The uptake of digital media platforms necessitates the need to understand how digital cultures of consumers and brands are unfolding Despite the increase in usage and adoption of the internet in Africa there is limited information about digital marketing trends on the continent This book is among the first to present an edited collection of chapters on digital and influencer marketing authored by many who are either from or have close ties to Africa This book showcases digital marketing trends in Africa that are burgeoning at the same speed as the uptake of technology in the continent With this in mind the contributors seek to interrogate digital marketing trends in two stages the status of digital marketing on the African continent including cases from Nigeria Egypt Uganda and Kenya and an analysis of the rise of influencer marketing including cases from Nigeria and Uganda This book will explore factors driving the increase in digital media platforms in Africa as well as an analysis of the implications of the growth in digital marketing using various theoretical and methodological underpinnings to probe trends Digital Public Relations and Marketing Communication Trends in Africa provides significant implications for marketing scholars and researchers and will be relevant to those looking to understand the opportunities and challenges ahead

**Women in Bengal** Sudarshana Sen,2024-07-26 This book analyses the status of women in Bengal India by examining the versatile everyday living conditions of women and how they are represented as individuals and as a category in the media Contributors to the book start their discussion from the point that women in India have a varied experience of living thinking and acting specific to the regional cultural context Caste ideology specified privileges and sanctions according to innate attributes differ by sex as well as ethnicity class caste minority status and marginal position intersect lives and render unique life experiences With a focus on women and their lived experiences performances by them and performances imitating women s roles the book offers a complex and rich analysis of the reality of women s lives based on research and reflections by 25 scholars Organised into two sections the book presents women in reality their living conditions struggles and women as represented in films stories framed in plots sometimes by women and sometimes by men The chapters provide insights on how institutionalised gender distinctions create subordination and marginality of women and their struggles to survive in a society dominated by heteropatriarchal ideology and its practice This book improves our understanding of various dimensions of gender and transgender relations in India It will be of interest to researchers in Gender Studies South Asian Culture and Society and Studies on India **Introduction to Global Social Problems** Isaac Zvi Christiansen,2025-09-08

Introduction to Global Social Problems introduces undergraduate students to national and international social problems from a critical sociological perspective Isaac Zvi Christiansen presents clear descriptions of each social problem explains key concepts and provides students with the relevant theoretical tools needed to grasp the interconnected nature of these phenomena This volume covers significant and interconnected issues The book begins with an explanation of how corporate interests distort the depiction of social problems Chapters 2 and 3 provide empirical explorations of poverty and inequality on national and global scales together with clear and accessible expositions of relevant sociological theories Chapter 4 examines health and educational inequalities exacerbated by the economic inequalities discussed in Chapters 2 and 3 Chapter 5 introduces students to issues of racial inequalities in the United States and abroad while Chapter 6 takes a comparative approach to examining crime and criminal justice Chapter 7 examines modern day imperialism and war with special attention given to the military industrial complex and a brief review of US interventions around the world in the twentieth and twenty first centuries Chapter 8 examines politics and human rights including a critical historical and sociological analysis of Israeli settler colonialism and successive US Israeli assaults on Gaza The book closes with an examination of population and the environment with special attention given to climate change and the pressing contradictions between capitalism and the environment This textbook will be a vital resource for introductory students across the social sciences especially in sociology political science and global studies It provides critical wraparound coverage of the momentous embedded social problems that interconnect across social national and regional boundaries

The Handbook of Informal Language Learning Mark Dressman,Randall William Sadler,2020-02-03 Provides a comprehensive and unique examination of global language learning outside of the formal school setting Authored by a prominent team of international experts in their respective fields The Handbook of Informal Language Learning is a one of a kind reference work and it is a timely and valuable resource for anyone looking to explore informal language learning outside of a formal education environment It features a comprehensive collection of cutting edge research areas exploring the cultural and historical cases of informal language learning along with the growing area of digital language learning and the future of this relevant field in national development and language education The Handbook of Informal Language Learning examines informal language learning from both theoretical and practical perspectives Structured across six sections chapters cover areas of motivation linguistics cognition and multimodality digital learning including virtual contexts gaming fanfiction vlogging mobile devices and nonformal programs and media and live contact including learning through environmental print tourism study abroad The book also provides studies of informal learning in four national contexts examines the integration of informal and formal classroom learning and discusses the future of language learning from different perspectives Edited by respected researchers of computer mediated communication and second language learning and teacher education Features contributions by leading international scholars reaching out to a global audience Presents an exciting and progressive selection of chapters in a rapidly expanding field of

research and teaching Provides a state of the art collection of the theories as well as the historical cultural and international cases relating to informal language learning and its future in a digital age Covers 30 key topics that represent pioneering findings and new research The Handbook of Informal Language Learning is an essential resource for researchers students and professionals in the fields of language acquisition English as a second language and foreign language education **The State of Copyright** Debora Halbert, 2014-02-05 This book seeks to make an intervention into the ongoing debate about the scope and intensity of global copyright laws While mapping out the primary actors in the context of globalization and the modern political economy of information ownership the argument is made that alternatives to further expansion of copyright are necessary By examining the multiple and competing interests in creating the legal regime of copyright law this books attempts to map the political economy of copyright in the information age critique the concentration of ownership that is intrinsic in the status quo and provide an assessment of the state of the contemporary global copyright landscape and its futures It draws upon the current narratives of copyright as produced by corporate government and political actors and frames these narratives as language games within a global political project to define how information and culture will be shared and exchanged in the future The text problematizes the relationship of the state to culture comments on the global flows of culture and critiques the regulatory apparatus that is in place to commodify culture and align it with the contemporary nation state In the end the possibility of non commodified and more open futures are explored The State of Copyright will be of particular interest for students and scholars of international political economy law political science anthropology sociology cultural studies library sciences and communication studies It also will appeal to a growing popular audience that has taken an interest in the issues of copyright **Business Review Weekly** ,2007 **Si Review** ,2007
