Is it Socially Acceptable for an Older Woman to be in a Relationship With a Younger Man? TJ Clemons, There are so many older men with young girls out there This has been socially accepted for a long time Mature women with younger men need the world to know that these type of relationship exist and flourish for many years Even though some people look at a younger man with an older woman in couples like it's a crime or it is in some way offensive Anybody over the legal age of 18 has the right to be with any person that they have romantic feeling for Society often discriminates against these unconventional unions People seem to be judgmental and label the female companion in the relationship as a Sugar Mama Beauty love and attraction is determined by the individuals that choose to enter into a romantic engagement But still today there is a double standard Older men are encouraged to trade in their aging brides for a trophy younger and beautiful female companionship It is so common in privileged and wealthy circles that nobody really notices or points out a discrepancy Mature women are expected to focus on their grand children and hobbies rather than their sexual needs and desires After the age of 60 they are

considered dried up and out to pasture But based on the individual it may be time to explore ones sexual fantasies after years of domestic duties and responsibilities And they may consider exploring their options with a young virile male counterpart without the pressure of getting pregnant or having to play the role of a nurturer Those facts alone create the perfect storm of eroticism and sexual exploration It is now time to get your groove back Now that you are no longer with your significant other due to divorce separation or in some cases death But that can often be more difficult than it has to be based on how you are going to be viewed in the public s eyes Now let us examine this topic from various points of perception Myself personally I am attracted to younger and older women My only turnoff when it comes to getting involved with a more mature woman is if I view her as a grandmother type Meaning if she only talks about her grandkids and can t separate her love life from her family life Seeing her as only a granny just doesn t inspire sensual thoughts and feelings There is nothing wrong with being a mother or a grandmother but from a relationship point of vision I want to be with someone who has a young spirit When it is time for family events and interactions that is a more appropriate the time and place to be a granny There is nothing like a mature sexy woman who has her confidence and the sexual energy of a prowling cougar ready to purr and pounce at a moments notice Every man has an attraction to at least one older woman that he would entertain and enjoy sexually if given the chance With all this being said let us begin our journey into the universe of cougars and their playful cubs Is it love or financial dependence Is it any of our business at all Of course it is If you come outside in America expect for all eyes to be on you at all times That is just how it is so continue to live your life with that understanding and expectation

Taboo Mommy B C King,2024-04 At thirty two years of age she was struggling through life on her own A tragic past kept her from allowing herself to fall in love again A chance encounter with a young man leads her to an older gentleman who has a business proposition for her Though she isn t interested when he tells her he has an eighteen year old son she can t resist Her lust for young men jerks her life in a new direction As time passes her past continues to haunt her The new friends in her life try to help but fear they may lose her forever if they can t get her to let go of her past traumas Take the complete journey with Laura from the moment she steps out into the world and finally takes a chance on love **Cougar Dating** Jackson Sparks,2015-02-06 In today s dating scene all is fair in love and attraction We are no longer living in times where you can only date certain people of a particular race social class economic standing or educational background Yes even gender and age are now subject to our own tastes and preferences For an older woman dating younger men promises fun and adventure in more ways than one Beyond the obvious advantages a young man sees the world with fresh eyes that can influence you to take a different perspective on life Not to mention younger men will certainly be youthful energetic and lively both in and out of the bedroom They will also be more receptive to some will even ask for you taking the reins in the relationship every now and then Sounds pretty good doesn t it But on the other side of the coin what s in it for them And what does it take to create a sense of attraction with a younger man That s where this book comes in I ll explain exactly what can make you so appealing
