QUEER PARENTS, JUDGES, AND  
THE TRANSFORMATION OF  
AMERICAN FAMILY LAW

KIMBERLY D. RICHMAN

# Courting Change Queer Parents Judges And The Transformation Of American Family Law

**Abbie E. Goldberg**

## **Courting Change Queer Parents Judges And The Transformation Of American Family Law:**

Courting Change Kimberly D. Richman, 2008-12-01 Winner of the 2010 Pacific Sociological Association Distinguished Contribution to Scholarship Award A lesbian couple rears a child together and after the biological mother dies the surviving partner loses custody to the child's estranged biological father Four days later in a different court judges rule on the side of the partner because they feel the child relied on the woman as a psychological parent What accounts for this inconsistency regarding gay and lesbian adoption and custody cases and why has family law failed to address them in a comprehensive manner In Courting Change Kimberly D Richman zeros in on the nebulous realm of family law one of the most indeterminate and discretionary areas of American law She focuses on judicial decisions both the outcomes and the rationales and what they say about family rights sexual orientation and who qualifies as a parent Richman challenges prevailing notions that gay and lesbian parents and families are hurt by laws indeterminacy arguing that because family law is so loosely defined it allows for the flexibility needed to respond to and even facilitate changes in how we conceive of family parenting and the role of sexual orientation in family law Drawing on every recorded judicial decision in gay and lesbian adoption and custody cases over the last fifty years and on interviews with parents lawyers and judges Richman demonstrates how parental and sexual identities are formed and interpreted in law and how gay and lesbian parents can harness indeterminacy to transform family law

The Sage Encyclopedia of LGBTQ+ Studies, 2nd Edition Abbie E. Goldberg, 2023-01-05 The SAGE Encyclopedia of LGBTQ Studies 2nd Edition will be a broad interdisciplinary product aimed at students and educators interested in an interdisciplinary perspective on LGBTQ issues This far reaching and contemporary set of volumes is meant to examine and provide understandings of the lives and experiences of LGBTQ individuals with attention to the contexts and forces that shape their world The volume will address questions such as What are the key theories used to understand variations in sexual orientation and gender identity How do LGBTQ people experience the transition to parenthood How does sexual orientation intersect with other key social locations e g race to shape experience and identity What does LGBTQ affirmative therapy look like How have anti LGBTQ ballot measures affected LGBTQ people What are LGBTQ people's experiences during COVID 19 How were LGBTQ people impacted by the Trump administration What is life like for LGBTQ people living outside the United States This encyclopedia will be a unique product on the market a reference work that looks at LGBTQ issues and identity primarily through the lenses of psychology human development and sociology and emphasizing queer feminist and ecological perspectives on this topic Entries will be written by top researchers and clinicians across multiple fields psychology human development gender queer studies sexuality studies social work nursing cultural studies education family studies medicine public health and sociology contributing to approximately 450 500 signed entries All entries will include cross references and Further Readings

**Not Just Roommates** Elizabeth H. Pleck, 2012-06-15 The late twentieth century has seen a fantastic expansion of personal sexual and domestic liberties in the United States In Not Just Roommates

Elizabeth H Pleck explores the rise of cohabitation and the changing social norms that have allowed cohabitation to become the chosen lifestyle of more than fifteen million Americans. Despite this growing social acceptance, Pleck contends that when it comes to the law, cohabitators have been and continue to be treated as second class citizens, subjected to discriminatory laws, limited privacy, a lack of political representation, and little hope for change. Because cohabitation is not a sexual identity, Pleck argues cohabitators face the legal discrimination of a population with no group identity, no civil rights movement, no legal defense organizations, and often no consciousness of being discriminated against. Through in-depth research in written sources and interviews, Pleck shines a light on the emergence of cohabitation in American culture, its complex history, and its unpleasant realities in the present day.

**LGBTQ Americans in the U.S. Political System** Jason Pierceson, 2019-11-11. This comprehensive sourcebook covers the evolution of LGBTQ engagement in American politics from the emergence of gay rights as a political issue in the early 1970s to the present day, when LGBTQ issues occupy a prominent place in politics. This work provides a broad and authoritative survey of the ways in which gay Americans are influencing the tenor and trajectory of U.S. politics at the local, state, and national levels. An encyclopedic section offers thorough coverage of all of the individuals, organizations, cultural forces, political issues, and legal decisions that have combined to elevate the role of LGBTQ people at the ballot box, on the campaign trail in Washington, and in mayors' offices, city councils, and school boards across the country. Complementing reference entries are in-depth essays on the rising prominence of gay Americans as voters, candidates, public officials, lawmakers, and opinion leaders, providing further context for understanding their impact on modern U.S. political processes and institutions from the perspective of liberals and conservatives alike. Finally, the set includes a collection of important primary source documents that illuminate landmark events, examine gay policy priorities and preferences, and showcase the beliefs and experiences of prominent LGBTQ Americans in the world of politics.

**Radical Relations** Daniel W. Rivers, 2013-09-03. In a book based on extensive archival research and 130 interviews conducted nationwide, the author looks at lesbian and gay parenthood from the early 1950s through today.

**Outskirts** D'Lane R. Compton, Amy L. Stone, 2024-04-30. Celebrates diverse queer experiences on society's margins. *Outskirts* addresses the diverse and intricate aspects of the queer experience on the periphery of the social world. From the Korean spa to the Carnival krewes to new sexual identities, this volume asks important questions about the atypical places, spaces, and identities that are an important part of LGBTQ life in the United States. By bringing together scholars specializing in the less visible facets of queer culture, the book offers valuable insights that contribute to a deeper understanding of queer perspectives and their impact on the discipline of sociology. The volume challenges researchers to focus on the diversity and complexity of the queer experience in the fringe to inform larger sociological questions and contribute to the field of sociology. Most simply put, what is it that we learn from studying at the margins? The essays in *Outskirts* focus on the influence of place, both physical and virtual, within institutional settings and in situations of placelessness. This attention to non-normative spaces and identities enriches the

collective knowledge of LGBTQ experiences and offers a compelling narrative that pushes the boundaries of sociological inquiry and highlights the importance of queer voices on the fringes of society     **Symposium** ,2009     Choice ,2009

The British National Bibliography Arthur James Wells,2009     The Right to be Parents Carlos A. Ball,Carlos A. Ball M.,2012-05-14 Feminist Legal Theory is just over a decade old in the United States and is even younger in most other countries Here Francis Olsen presents the best articles from within this burgeoning field Drawing on literature which is extremely rich and varied these volumes include articles from a range leading legal scholars and feminists Two volumes

### **Courting Change Queer Parents Judges And The Transformation Of American Family Law Introduction**

In today's digital age, the availability of Courting Change Queer Parents Judges And The Transformation Of American Family Law books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Courting Change Queer Parents Judges And The Transformation Of American Family Law books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Courting Change Queer Parents Judges And The Transformation Of American Family Law books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Courting Change Queer Parents Judges And The Transformation Of American Family Law versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental

impact associated with book production and transportation. Furthermore, Courting Change Queer Parents Judges And The Transformation Of American Family Law books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Courting Change Queer Parents Judges And The Transformation Of American Family Law books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Courting Change Queer Parents Judges And The Transformation Of American Family Law books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Courting Change Queer Parents Judges And The Transformation Of American Family Law books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Courting Change Queer Parents Judges And The Transformation Of American Family Law books and manuals for download and embark on your journey of knowledge?

## FAQs About Courting Change Queer Parents Judges And The Transformation Of American Family Law Books

---

1. Where can I buy Courting Change Queer Parents Judges And The Transformation Of American Family Law books?  
Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
