

# Marriage Covenant

**MARRIAGE IS GOD'S DIVINE IDEA AND IS A COVENANT BETWEEN A MAN AND A WOMAN WHO AGREE TO LIVE TOGETHER AS HUSBAND AND WIFE FOR AS LONG AS THEY BOTH LIVE.**

Therefore, we have chosen each other because we believe this is God's will for our lives. Through careful consideration, prayer, and understanding of the responsibilities of marriage, we agree that a covenant marriage is for life. We also agree that if we experience marital difficulties beyond our ability to cope, we will make every effort to preserve our marriage by seeking assistance from other gifted Christians through marriage mentoring or biblically-based marital counseling.

With full knowledge of what this commitment means, we do declare that our marriage will be bound by the teachings of God's Word, and we promise to love, honor, and care for one another as husband and wife for the rest of our lives.

**Marriage: a Covenant Before God** Jeremy Markle,2015-07-27 A few years ago while serving the Lord on the mission field I received the joyous news that one of my beloved family members was going to be married Then to my pleasant surprise I was asked to return home for a short visit so that I could officiate the wedding After accepting the invitation I realized the great responsibility I was undertaking by helping to establish a new home that would glorify God So with a pastor s commitment to God s Word and a family member s love I began to search the Scriptures for the clearest example of Biblical matrimony this young couple could learn from and follow My goal was to provide a solid foundation for their relationship before the wedding so that they would be prepared for the life God had for them It was through that search that God led me back to the beginning the beginning of man and woman the beginning of marriage For In the beginning God created man in his own image and made he a woman and brought her unto the man Genesis 1 1 27 2 22 What I am now privileged to share with you is what I lovingly shared with those who are dear to me as they prepared to enter into a marriage covenant before God and man These biblical truths are accompanied by practical illustrations and applications so that you and your loved one might grow in your knowledge of each other and God s will for your future together My prayer is that these studies and the additional material given will provide a solid foundation on which you can build a marriage and family that will be both personally satisfying as well as God honoring until death do you part Please visit [www.walkinginthewordministries.net](http://www.walkinginthewordministries.net) to find other helpful resources     **Divine Marriage** Luis Román,Kristen Román,2021-11-09

**The Marriage Covenant** Ray McBerry,2025-09-05 Too many couples enter into marriage solely owing to the romantic feelings which they have for each other with no regard for the commitment which they are making This commitment a covenant is a binding contract at least in God s eyes even if not in the view of today s modern culture Understanding what this covenant entails is key to maintaining a lasting marriage and so Christians should not enter into a marriage covenant without understanding the obligations and expectations of each party under the covenant It is for this reason that Pastor Ray McBerry has put together this short book on the marriage covenant and requires it as reading for all that he agrees to marry in the hope that each marriage will last a lifetime

### **The Covenant of Marriage Study Guide**

Mark Johnson,2021-02-04 This twelve week study shows how the historic understanding of Covenant helps us build a love for a lifetime Marriage Marriage is not what our culture or we say it is What is the one esh relationship that was designed by God When two enter a Covenant the identity of each party enters the other This produces a bond of shared identity between the two and alters the nature of each what God has joined together God s instructions are logical consequences of these realities We love the other as we love ourselves because the other is now part of us Our hearts want to love but we do not love consistently Why Because our guidance systemour old sense of self interest pulls in other directions Covenant is not just a tie that binds It is also a plan that teaches us what to do why we do these things and how we become able to do them Our married self is a new self Obedience does not oppose our nature it authentically expresses our new self and new bond Shifting our guidance system to follow God s plan and building this new life is the path to the best Marriage
