Thomas,2014-09-02 When someone says Cowgirl Up it means rise to the occasion don't give up and do it all without whining or complaining And the cowgirls of the early twentieth century did it all just like the men only wearing skirts and sometimes with a baby waiting behind the chutes Women learned to rope and ride out of necessity helping their fathers brothers and husbands with the ranch work But for some women it went further than that They caught the fever of freedom the thirst for adrenaline and the thrill of competition and many started their rodeo careers as early as age fourteen From Alice and Margie Greenough of Red Lodge whose father told them If you can't ride em walk to Jane Burnett Smith of Gilt Edge who sneaked off to ride in rodeos at age eleven women made wide inroads into the masculine world of rodeo Montana boasts its share of women who busted broncs and broke ranks in the macho world of rodeo during the early to mid 1900s Cowgirl Up is the history of these cowgirls their courage and their accomplishments Cowgirl Dreams Elizabeth Reeder,Elizabeth Easley,2000-11-01 Cowgirl Dreams begins with the earliest memories of a young girl growing up in rural Central Maryland during the 1960s The landscape of home which includes playmates pets and surrounding farms and woods serves as Betsy's teacher protector and source of identity during the troubled years from the Cuban Missile Crisis through the close of the Vietnam War A child's world with all its fear fantasy hope mystery and frustration is intimately and honestly revealed The anger and confusion of adolescence too emerge as childhood is left behind and a teen's introspection raises painful questions What colors the vignettes with a common hue are two filters threats to the intensely loved landscape of home and ongoing fear surrounding the training and riding of a high strung horse These themes play themselves out in the cathartic release of long held dreams that collide uncomfortably with reality's sharp edges both in the wilderness of California and the hills of Howard County Maryland A Cowgirl's Passion Edith MacKenzie,2020-04-29 One feisty cowgirl One steadfast Brazilian bull rider Will she see what is right in front of her Gabi has always been ambitious With her priorities solely focused on her ranch and new sports management business she doesn't have time to deal with silly little crushes Even if it is her brother's best friend Joao's quiet demeanour hides a determination that burns bright There are only two things he cares about become a champion bull rider and get his best friend's kid sister to take notice Maybe signing with her will finally do the trick Gabi has never taken Joao's crush seriously especially when he's always pushing her buttons But when tragedy strikes she finds herself unable to leave his side Will she admit that he is the man she wants Is she brave enough to fight for her cowgirl's passion *The Long Paddock (A Woodlea Novel, #1)* Alissa Callen,2017-02-01 A captivating love story about community and second chances from Australian author Alissa Callen Country girl Cressida Knight fills her days with her farm a mischievous pet bull called Reggie and her volunteer emergency services work The busier she keeps the less she thinks about the cowboy who left her behind She's convinced the small town Woodlea grapevine that she's moved on but now it's time to move on for real Champion bull rider Denham Rigby shares Cressy's deep love for the land and all he's ever wanted was to stand shoulder to shoulder with Cressy through life But three years ago a dark family secret left him no choice but to run Now family duty

gives him no choice but to return to the bush What Denham hasn't come home to do is to hurt Cressy by rekindling their relationship He's nothing but a liability and the beautiful self-reliant cowgirl has to stay off limits But when faced with Cressy's desperation to save her drought-stricken farm he can't keep his distance He joins her out-droving on the long paddock Then when Woodlea is hit by more than just rodeo fever they are further thrown together and Denham loses the battle to lock down his emotions But has he left it too late to stop running And will the woman he's always loved be prepared to risk her heart for a second time
