Complete Workbook Healing Trauma Guide:

A Comprehensive Guide to Rehabilitation of the Older Patient E-Book Shane O'Hanlon, Marie Smith, 2020-11-17

This book will help all health professionals involved in the rehabilitation of older people to provide their patients with the highest possible quality of life and autonomy. Expanded and rewritten by a diverse team of authors, the text is suitable for doctors in all specialties that see older patients as well as nurses, physiotherapists, occupational therapists, psychologists, dietitians, speech and language therapists, pathologists, physician associates, assistants, healthcare assistants, and many others, including patients, family members, and students. The book is written in an accessible, no-jargon style and provides a patient-centred perspective on recent advances in the field of rehabilitation, an increasingly important aspect of care for older people. Clear explanations of relevant concepts, ageing, frailty, comprehensive assessment, rehabilitation, and broad coverage of all aspects of rehabilitation, including different settings. Explanations of input from multiple health professionals. Problem-based section that highlights solutions to common issues during rehabilitation. Specialty-specific areas of rehabilitation, such as stroke rehabilitation, cancer rehabilitation, post-operative rehabilitation, trauma rehabilitation, and rehabilitation in the community. Practical section explaining how to plan discharge, safely run a care planning meeting, organize home supports, continue rehabilitation at home. Evidence-based but accessible writing, complemented by practical clinical wisdom. Aimed at a broader audience applicable to all health professionals who see older patients. Resources for patients and their caregivers. Multiple choice questions to test knowledge.
