Blood of the Cosmos Kevin J. Anderson,2024-07-30 Second in the Saga of Shadows trilogy from the New York Times bestselling author of *The Dark Between the Stars* and coauthor of *Sisterhood of Dune* The titanic conflict continues between galactic civilizations and the life destroying force of sentient shadows After the events in the Hugo nominated *The Dark Between the Stars* the humans and Ildirans have narrowly escaped annihilation by the Shana Rei and their alien robot allies But civilization in the Spiral Arm is at the risk of extinction from the deadly black clouds that absorb all life The last few survivors of the mysterious Gardeners whose worlds were smothered by the Shana Rei millennia ago raise countless questions of their own and these alien refugees may be a disaster in disguise What is their true intent A desperate alliance among empires tests a provocative new weapon that may be powerful enough to combat the deadly shadows but its horrible failure could bring the human race and its allies to the brink of annihilation *Blood of the Cosmos* is an epic space opera filled with intertwined plots colorful ideas a large cast of characters and dozens of solar systems alien races and strange creatures Kevin J Anderson is one of the best plotters in the business Brandon Sanderson 1 New York Times bestselling author Kevin J Anderson writes the kind of entertaining and inventive space opera that is exactly what I want to read Peter F Hamilton author of *Exodus* **Triplanetary** E. E. Smith,2013-12-01 *Triplanetary* was first serialized in *Amazing Stories* in 1934 and it later on formed the first of the Lensman series where it set the stage for what is one of the greatest space opera sagas ever written This original publication brings us to a distant planet inhabited by a highly developed aquatic race called the Nevians They have managed to harness the atomic power of iron and have an enormous need for the metal to generate energy but their planet has virtually no iron reserves They build a spaceship to venture into the universe and find iron Eventually they discover that Earth has huge amounts of iron and the Nevians start to extract all the iron out of Pittsburgh with a special ray This ray shoots into the city and immediately vaporizes and removes any iron from the buildings machines earth and even from human blood It is up to Conway Costigan a mercilessly competent two fisted whiz agent of the military *Triplanetary*

Praise for New Star Rising You won't be disappointed if you're looking for a journey into a never explored futuristic world
before It is not a novel that can be skimmed through Take your time and enjoy the new world that is presented to you This
novel is fascinating for its rich and complex story line set on multiple planets worlds What an amazing book from start to
finish What is there not to like I found myself digging into this book and disappointed at the end of it because I wanted more
now rather than having to wait for the next book A complex story line that draws you in then keeps you engaged Nothing
formulaic Well thought out story The science fiction components are consistent Science fiction with real science LaGrange
points I am so giddy Roller coaster of a story following fabulous characters who move through varying planet and spacecraft
environments whilst always dealing with a war that's not a war Warring enemies setting each other up to eliminate another
enemy Throw in a neutral entity that does lots of dirty work and this book has all the makings for a great series __ Cameron
