make and so much more *Sexism in Tommy Wiseau's film "The Room" and its YouTube reviews*, 2018-05-02 Essay from the year 2017 in the subject Gender Studies grade 2.0 University of Vienna Anglistik Amerikanistik language English abstract In this paper the role of gender in the reception of Tommy Wiseau's film *The Room* will be discussed. In particular, I will analyse how four YouTube review channels react to how the female main character Lisa is treated by the film. The focus of my research will be the comic value these reviewers find in Lisa's actions with the goal of revealing some of their sexist or misogynistic assumptions about gender by what they find humorous. In order to do this, firstly I will discuss and describe the main scenes I will look at more closely and explain why they seem problematic from a gender humour and film studies perspective. The first scene this paper focuses on shows a conversation where Lisa tells her mother that Johnny hit her. In the second scene, a story of a woman that has been beaten is recounted, and finally in the last scene, Lisa is made responsible for Johnny's death. Secondly, I will introduce my chosen YouTube channels: CinemaSins Channel, Awesome I Hate Everything, and FanboyFlicks, and then observe how they perceive the chosen scenes and whether they ignore the scenes and Lisa's treatment or not. Additionally, I will compare these channels by looking at how they view and describe Lisa in general. As a last step, I demonstrate that some of the reviewers I chose ignore the scenes and Lisa's treatment in general. Based on my discoveries, I assume to find sexist standards in the majority of the channels, especially when they ignore or find humour in scenes in which Lisa is mistreated.

African Women of the Ancient World Katy Clark, 2025-06-30 Discover the untold stories of Africa's warrior queens, rulers who defied empires, led armies, and shaped the course of history. In *African Women of the Ancient World*, journey through millennia to uncover the lives of powerful women like Queen Amanirenas who challenged the might of Rome, Queen Nzinga Mbande who fought against the Portuguese slave trade, and Dahia al Kahina who defended North Africa from Arab invasion. These extraordinary women, often overshadowed by their male counterparts, ruled with unparalleled strategy, pride, and ferocity, navigating their nations through intense battles and radical changes. From the great Pharaoh Hatshepsut of Egypt to Queen Makeda of Sheba, whose legacy is intertwined with the legends of King Solomon, these rulers are the unsung champions of ancient history. In this volume, Clark brings these remarkable figures to life, drawing from excellent sources to illuminate their conquests and reigns. A treasure trove for scholars and history enthusiasts alike, this book offers a compelling exploration of the women who fiercely defended their lands and people, and whose stories are finally being told.

Character Theology Tom Steffen, Ray Neu, 2024-02-21 Character Theology provides a natural, universal way for the world to engage God through his chosen cast of characters. As the media eras continue to change, from oral to print to digital, virtual, too many Bible scholars and consequently pastors and Bible teachers in the West and beyond lack the capability to effectively communicate Scripture to Millennials, Gen Z, and Gen Alpha. These generations find little, if any, relevance in the Christianity promoted by those stuck in modernity's sticky, abstract, systematic theology. Character Theology relates, sticks, and transforms these generations. Why? Because people grasp and engage God most naturally and precisely through his

interaction with biblical characters and their interaction with each other Characters communicate the Creator s characteristics The roadmap to the recovery and expansion of Christianity in the twenty first century will be through Bible characters
