Cupcakes, Pinterest, and Ladyporn Elana Levine, 2015-09-30 Media expansion into the digital realm and the continuing segregation of users into niches has led to a proliferation of cultural products targeted to and consumed by women Though often dismissed as frivolous or excessively emotional feminized culture in reality offers compelling insights into the American experience of the early twenty first century Elana Levine brings together writings from feminist critics that chart the current terrain of feminized pop cultural production Analyzing everything from Fifty Shades of Grey to Pinterest to pregnancy apps contributors examine the economic technological representational and experiential dimensions of products and phenomena that speak to and about the feminine As these essays show the imperative of productivity currently permeating feminized pop culture has created a generation of texts that speak as much to women s roles as public and private workers as to an impulse for fantasy or escape Incisive and compelling Cupcakes Pinterest and Ladyporn sheds new light on contemporary women s engagement with an array of media forms in the context of postfeminist culture and neoliberalism

Masculinities in Post-Millennial Popular Romance Eirini Arvanitaki, 2022-05-12 This book focuses on the projection of the hero s masculinity in a selection of post millennial popular romance narratives and attempts to discover if and to what extent this projection reinforces or challenges patriarchal ideas about gender In the majority of these narratives the hero is often presented as a hegemonic alpha male However hegemonic masculinity is not a fixed concept Rather it is subject to continuous change which allows for the emergence of various dominant masculinities Under a poststructuralist lens and through a close textual analysis approach and a gender reading of romance narratives the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash depend on or function as a prerequisite for each other

Border Crossings and Mobilities on Screen Ruxandra Trandafoiu, 2022-06-08 Border Crossings and Mobilities on Screen explores the movement fluidity and change characterizing contemporary life as represented on screen media from mobile devices to television film computers video art and advertising displays People have never moved around more and increasingly migration and mobility has come to shape both our understandings of ourselves and the ways in which we interpret and mediate the world we live in As people move media plays a key role in shaping and reshaping identity and belonging opening the doors to transnational and transcultural participation Drawing on screen media case studies from around the world this book demonstrates how screen mobilities reconfigure notions of space place network and border regimes The increasing ease of consumption and production of media has allowed for an unprecedented fluidity and mobility of class gender sexuality nation and transnation individual freedoms and aspirations Putting people at the core of the book this book shows the many ways in which people are using screen media to create identity participation and meaning The rich picture built up over the many chapters of this interdisciplinary volume raise important questions about the nature of

contemporary media experiences At a time of great change in the ways in which people move and connect with each other this book provides an important global snapshot for researchers across the fields of media communication and screen studies sociology of communication global studies and transnationalism cultural studies culture and identity digital cultures travel tourism and place
