[Sight Words Level 2](#) Lisa Gardner, 2014-05-02 [Sight Words Level 2](#) A Sight Words Book for Preschool and Kindergarten teaches your child sight words in three easy-to-use word sets. The books in this Sight Words Book series have been organized into 5 levels. This book teaches level 2 and contains 55 sight words. As educators have found that teaching only a few sight words at a time is the best way to increase success, the book includes 3 sets of words allowing your child to work through and master one set at a time or work through all the sets in sequence. The book features a charming character, bright colors, and large bold text to help make the learning process fun. After mastering the words in all 5 levels, your child will be a more confident beginning reader and will be ready for reading and writing in elementary school. Keep in mind, this book is set up in a quick and easy-to-use flash card format to help children quickly spell and read new words as they learn them.
