Ryken,Glenda Mathes,2021-03-02 A Christian Perspective on the Joys of Reading Reading has become a lost art With smartphones offering us endless information with the tap of a finger it s hard to view reading as anything less than a tedious and outdated endeavor This is particularly problematic for Christians as many find it difficult to read even the Bible consistently and attentively Reading is in desperate need of recovery Recovering the Lost Art of Reading addresses these issues by exploring the importance of reading in general as well as studying the Bible as literature offering practical suggestions along the way Leland Ryken and Glenda Faye Mathes inspire a new generation to overcome the notion that reading is a duty and instead discover it as a delight **Masculinities in Post-Millennial Popular Romance** Eirini

Arvanitaki,2022-05-12 This book focuses on the projection of the hero s masculinity in a selection of post millennial popular romance narratives and attempts to discover if and to what extent this projection reinforces or challenges patriarchal ideas about gender In the majority of these narratives the hero is often presented as a hegemonic alpha male However hegemonic masculinity is not a fixed concept Rather it is subject to continuous change which allows for the emergence of various dominant masculinities Under a poststructuralist lens and through a close textual analysis approach and a gender reading of

romance narratives the book suggests that to a certain extent the romance hero could be described as a platform onto which different forms of dominant masculinity are displayed and highlights that these masculinities do not necessarily clash depend on or function as a prerequisite for each other *Secrets to Effective Author Marketing* Marguerita McVay

Lynch, 2017-12-09 Have you put your book out there and been disappointed in your sales Perhaps you've tried a variety of marketing tactics to boost discoverability blog posts social media book tours paid ads in a variety of venues But nothing is working The publishing landscape changes every year The number of books published has increased and the competition for readers is more than it has been before The key is to define your audience and then convince those potential readers of the value of your book Your marketing time and money should primarily be spent on a message of value not price not story and not genre This book provides specific techniques to exploit that value without resorting to the typical overexposure in social media and newsletters with Buy My Book sales messaging Instead focus on the top three proven techniques that actually sell books Follow step by step instructions and timelines to learn how to 1 Create an Effective Plan for Communicating to Readers 2 Use Social Media and Email lists to Engage with Your Readers and 3 Plan for Effective Campaigns for both Book Launches and Backlist Rejuvenation throughout the year In addition this book provides techniques to Distinguish specific groups of readers most likely to buy your novel or nonfiction book Understand your competition and the advantages that your book offers Clarify hooks that capture attention of the media reviewers and readers Identify where and how to reach readers reviewers and media Create and implement a consistent brand throughout all marketing efforts Effectively select from 100 options the appropriate marketing tactics and timing that matches your book intentions and values Maximize organic reach and stay to a budget of less than 100 per book campaign Develop a long term online marketing plan Border Crossings

and Mobilities on Screen Ruxandra Trandafoiu, 2022-06-08 *Border Crossings and Mobilities on Screen* explores the movement fluidity and change characterizing contemporary life as represented on screen media from mobile devices to television film computers video art and advertising displays People have never moved around more and increasingly migration and mobility has come to shape both our understandings of ourselves and the ways in which we interpret and mediate the world we live in As people move media plays a key role in shaping and reshaping identity and belonging opening the doors to transnational and transcultural participation Drawing on screen media case studies from around the world this book demonstrates how screen mobilities reconfigure notions of space place network and border regimes The increasing ease of consumption and production of media has allowed for an unprecedented fluidity and mobility of class gender sexuality nation and transnation individual freedoms and aspirations Putting people at the core of the book this book shows the many ways in which people are using screen media to create identity participation and meaning The rich picture built up over the many chapters of this interdisciplinary volume raise important questions about the nature of contemporary media experiences At a time of great change in the ways in which people move and connect with each other this book provides an
