Creatus Series Boxed Set:

Creatus Carmen DeSousa, 2016-09-09 Derrick's desire to save one human girl will ignite a war. For four thousand years creatus have concealed themselves from the humans who hunted them almost to extinction. Unwittingly one creatus will endanger them all. As with most of his family Derrick Ashton knows his future and what position he's destined to fill within his unique society. Everything changes however when he breaks one of his family's strictest laws and falls in love with a human. In his quest to protect the woman he can never have a twist of fate propels him into a new role that will cause dissension among his family and endanger the anonymity that they've spent thousands of years protecting. Now he will risk everything to save the girl from humans and his own kind. The one thing he can't save her from however is herself. The Creatus series is not your normal paranormal story; it's a realistic supernatural romantic suspense based on the myths you've heard your entire life. Prepare to believe. Editorial Reviews: This story is completely unique and is definitely not generic sex and vampires. In fact I think Creatus will redefine the paranormal genre. Creatus has intrigue, suspense, romance, and tremendous depth. Quiet Fury Books. This book could easily classify itself as romance, mystery, suspense, thriller. I'm not a big Twilight fan but I did enjoy the first movie. I found Creatus reminding me somewhat of Twilight but with actors I loved. New York Times and USA Today bestselling author Linda S. Prather well-written, compassionately told, and creates characters that make you want to know them better. It is the foundation for a great series and I believe it will be quite popular. Sweet Mystery Books Bonus Material: This special edition boxed set includes the prequel Creatus: They Exist, Creatus Book One, and a sneak peek at Creatus: Rogue.

Carmen DeSousa, 2016-10-11 If we allow enmity in our hearts war is inevitable. For four thousand years creatus have concealed themselves from the humans who hunted them almost to extinction. Now one rogue faction plans to retaliate by ridding the world of humankind. Only one division of creatus with the strength and numbers to fight the sinister sect stands between humanity and a new world order. What they discover however might prove the truth about the creatus myths and why humans started hunting them so many thousands of years ago. Maybe humans were right. The Creatus series is not your normal paranormal story; it's a realistic romantic mystery based on the myths you've heard your entire life. Prepare to believe.
