*New Life Courses, Social Risks and Social Policy in East Asia* Raymond K. H. Chan,Jens Zinn,Lih-Rong Wang,2015-10-30

Social policy in modern industrialised societies is increasingly challenged by new social risks These include insecure employment resulting from ever more volatile labour markets new family and gender relationships resulting from the growing participation of women in the labour market and the many problems resulting from very much longer human life expectancy Whereas once social policy had to be in step with a standardised relatively stable and predictable life course it now has to cope with non standardised individual preferences life courses and families and the consequent increased risks and uncertainties This book examines these new life courses and their impact on social policy across a range of East Asian societies It shows how governments and social welfare institutions have been slow to respond to the new challenges In response we propose a life course sensitised policy as an approach to manage these risks Overall the book provides many new insights which will assist advance social policy in East Asia

## **Globalizing China - Social and Governance Reforms**

Ka Ho Mok,2022-12-30 Unlike most books which consider China s transformation and globalization over the last four decades by focusing on China s economic growth this book examines how the Chinese regime has handled the increasingly complex sociopolitical and socio economic challenges generated as a result of the country s economic growth and transformation challenges arising both from within the country and also from the external political environment Based on extensive original research the book outlines how China s economic development has generated social and governance pressures discusses the government s social educational and governance reforms and highlights how China s development experiences which differ from the Western economies with democratic political regimes have drawn increasing attention from other countries in the developing world as an example to follow
