

The cover is a vibrant collage of STEM-related illustrations. At the top left, a person in a blue suit and yellow helmet floats with a red and yellow parachute. Next to them is a blue rocket-like device with a grid pattern. To the right is a blue equals sign, a blue soldering iron, a red plus sign, and a blue ruler. Below the ruler is a pink book. On the left side, there's a red hammer, a yellow lightning bolt, a green and black striped caterpillar, a pink pencil, and an orange and black polka-dot pencil. At the bottom left is a green drone. In the bottom right corner is a cartoon girl with a yellow hard hat. A purple cloud-like shape contains the text 'Packed with activities and facts'. At the very bottom, the authors' names are listed. The word 'STEM' is the central focus, written in large, colorful letters (S: blue, T: yellow, E: red, M: green) inside a black cloud-like shape. Below it, 'ACTIVITY BOOK' is in white, and 'SCIENCE TECHNOLOGY ENGINEERING MATH' is in smaller, multi-colored letters.
