The Non-Technical Founder Josh MacDonald, 2018-04-03 Everyone has an idea that they think is the next big thing The problem is it's probably an app or software idea and most people probably don't know how to code and their record for managing programmers is little to none Even if they do know how to code they're not quite sure how to get their first one thousand customers The Non Technical Founder walks readers through the stages of validating whether their next big thing is good bringing the idea to life and getting those first customers

Film Authorship in Contemporary Transmedia Culture Wikanda Promkhuntong, 2025-10-01 Film Authorship in Contemporary Transmedia Culture The Paratextual Lives of Asian Auteurs examines film authorship in the transmedia era whereby film directors have become public figures through a wide range of textual material and performative practices The book draws on the notion of paratext and its related term palimpsest to bring forth the idea of self reflexive authorship as a method of examining the mediated past present and afterlife of East Asian filmmakers The first part of the book pays attention to materials surrounding film festivals multi platform distribution and cinephile fan creative practices which have been created rewritten and shared to foster and problematize the reputations of selected filmmakers The second part examines alternative modes of self projections and creative productions that address the filmmakers sense of selves and relations with the industry and the public Across different chapters discourses surrounding film authorship and East Asian cinema are revisited and expanded to highlight its multiple histories and possible futures

Everything I Need I Get from You Kaitlyn Tiffany, 2022-06-14 One of The New York Times Book Review's 100 Notable Books of 2022 Named one of the best books of 2022 by The New Yorker Pitchfork Vanity Fair and TIME A New York Times Book Review Editors Choice On the internet fandom can be a route toward cyberbullying a baby or it can be a way of figuring some things out about yourself Sometimes it can even forge a writer as funny and perceptive as Kaitlyn Tiffany Amanda Hess The New York Times Wistful winning and unexpectedly funny Katy Waldman The New Yorker A thrilling dive into the world of superfandom and the fangirls who shaped the social internet In 2014 on the side of a Los Angeles freeway a One Direction fan erected a shrine in the spot where a few hours earlier Harry Styles had vomited It's interesting for sure Styles said later adding a little niche maybe But what seemed niche to Styles was actually a signpost for an unfathomably large hyper connected alternate universe stan culture In *Everything I Need I Get from You* Kaitlyn Tiffany a staff writer at The Atlantic and a superfan herself guides us through the online world of fans stans and boybands Along the way we meet girls who damage their lungs from screaming too loud fans rallying together to manipulate chart numbers using complex digital subversion and an underworld of inside jokes and shared memories surrounding band members allergies internet typos and hairstyles In the process Tiffany makes a convincing and often moving argument that fangirls in their ingenuity and collaboration created the social internet we know today Before most people were using the internet for anything Tiffany writes fans were using it for everything With humor empathy and an insider's eye *Everything I*

Need I Get from You reclaims internet history for young women establishing fandom not as the territory of hysterical girls but as an incubator for digital innovation art and community From alarming fandom splitting conspiracy theories about secret love and fake children to the interplays between high and low culture and capitalism Tiffany s book is a riotous chronicle of the movement that changed the internet forever *The Primer of Principles, the Organic Maxims of All Systems of Procedure* William Taylor Hughes,1931 *Against the State* James Stout,2026-01-20 A book about those that cannot wait any longer for the world to change Young revolutionaries in Myanmar and Rojava colloquially referred to by journalist James Stout as anarchists for their nonhierarchical forms of organization based on mutual aid and solidarity face incredible danger to pursue their expression of freedom *Against the State* seeks to understand these anarchists to honor their struggles and ask tough questions about confronting the state Stout contrasts these contemporary movements with the Spanish Civil War and Revolution where workers in 1936 fought capitalism and fascism Crucially the book presents these movements as evolving and innovative and centers the voices of those too often overlooked in conflict studies and misunderstood by Western radical movements **The Cryptopians** Laura Shin,2022-02-22 The story of the idealists technologists and opportunists fighting to bring cryptocurrency to the masses In their short history Bitcoin and other cryptocurrencies have gone through booms busts and internecine wars recently reaching a market valuation of more than 2 trillion The central promise of crypto endures vast fortunes made from decentralized networks not controlled by any single entity and not yet regulated by many governments The recent growth of crypto would have been all but impossible if not for a brilliant young man named Vitalik Buterin and his creation Ethereum In this book Laura Shin takes readers inside the founding of this novel cryptocurrency network which enabled users to launch their own new coins thus creating a new crypto fever She introduces readers to larger than life characters like Buterin the Web3 wunderkind his short lived CEO Charles Hoskinson and Joe Lubin a former Goldman Sachs VP who became one of crypto s most well known billionaires Sparks fly as these outsized personalities fight for their piece of a seemingly limitless new business opportunity This fascinating book shows the crypto market for what it really is a deeply personal struggle to influence the coming revolution in money culture and power *Technologies for Energy, Agriculture, and Healthcare* Shailesh R.
