[Focus On: 100 Most Popular Vaudeville Performers](#) Wikipedia contributors, [Focus On: 100 Most Popular English Male Comedians](#) Wikipedia contributors, **The Bipolar Express** David Coleman, 2014-07-08 In the past few decades awareness of bipolar disorder has significantly increased but understanding of the condition remains vague for most of the general public. Though the term itself is relatively recent the condition has affected individuals for centuries and no more profoundly than in the arts. The historical connections among manic depression and such fields as literature music and painting have been previously documented. However the impact of bipolar disorder on movie makers and its depiction on the screen has yet to be thoroughly examined. In *The Bipolar Express Manic Depression and the Movies* David Coleman provides an in depth examination of the entwined natures of mood disorders and moviemaking. In this volume Coleman looks at the writers directors and actors who have faced the mood swings and behavior that are hallmarks of this condition from Greta Garbo and Orson Welles to Marilyn Monroe and Jonathan Winters. In addition to recognizing the cinematic contributions of manic depressive filmmakers the author also looks at movies that have portrayed bipolar disorder with varying degrees of accuracy including *Citizen Kane* *Rebel without a Cause* *Breakfast at Tiffany's* *Hannah and Her Sisters* *The Aviator* and *Silver Linings Playbook*. From early silents of the twentieth century through critically acclaimed films of today this book compares depictions of mood swings on screen with clinical examples of actual manic depression carefully distinguishing real from stereotypical portrayals. This fascinating study is augmented by a concise filmography of more than 400 feature length films from around the world with themes or characters relating to manic depressive illness. Though aimed at film fans and anyone interested in manic depression mental illness or related medical studies this book will also prove valuable to medical and mental health professionals. **Chaplin's War Trilogy** Wes D. Gehring, 2014-09-18 The book examines Charlie Chaplin's evolving perspective on dark comedy in his three war films *Shoulder Arms* 1918 *The Great Dictator* 1940 and *Monsieur Verdoux* 1947. In the first he uses the genre in a groundbreaking manner but yet for a pro war cause. In *Dictator* dark comedy is applied in an antiwar way. In *Monsieur Verdoux* Chaplin embraces the genre as an individual in defense against a society out to destroy him. All three are pivotal films in the development of the genre in film with the latter two movies being very controversial for their time. **As Rugged as the Terrain** Priscilla Wegars, 2013 As Rugged as the Terrain explores some intriguing history of Idaho's wild and scenic Lochsa River. In 1893 this site at turbulent Canyon Creek was a footnote in the saga of the ill fated Carlin hunting party. Next in 1933 it housed nearly two hundred tent dwelling Civilian Conservation Corps recruits most of whom were city slickers from New York State whose antics provide a colorful tableau of young men on their own and far from home. In 1935 the site became Federal Prison Camp No 11 a roadbuilding facility for convicts mostly from the Leavenworth Kansas penitentiary. Although the authorities stressed rehabilitation rather than punishment the camp's unsecured status it had no fence did allow several thrilling escapes. After the prison camp closed in May 1943 Japanese

detainees at the Kooskia Internment Camp continued road construction for two more years Several chapters in As Rugged as the Terrain document the Japanese internees story as compared with the experiences of Italian and German internees in the vicinity This volume features 110 illustrations notes appendices a bibliography and an index [Who Was Charlie Chaplin?](#)
