Chasing Circumstance:

Greatness Don Yaeger, 2011-10-24 GREATNESS is a motivational book whose target audience is found in business and self help It is a life book aimed at inspiring others to achieve their personal and professional best Opening with an in depth discussion of the nature of Greatness what it is what it is not and why it is worth pursuing each subsequent chapter of the book consists of a detailed story illustrating one aspect of Greatness with examples from the sports greats that Don has interviewed over the years This will be followed by a discussion and other related examples There are also practical tips and plans for assisting the reader in implementing new habits routines practices and philosophies of Greatness into his or her daily life As each characteristic is outlined the reader is challenged to look for areas in his or her professional and personal lives that can be improved by embracing these lessons As Don often says during his speeches Though these characteristics are culled from some of the greatest winners in sports not a single one requires you to be able to touch your toes These iconic figures in sports have provided a classroom for us to learn about their pursuit of Greatness You don t have to be good at sports heck you don t even have to like sports to benefit from their lessons It is the strong belief of those who Don has talked to over the years that greatness is available to all of us Not in the same way or on the same field mind you But we all have the capacity to achieve greatness if we ll give the same dedication to these characteristics as do the winners presented and interviewed in GREATNESS **Military, Government and Aerospace Simulation** Kevin J. [i.e. Olivier Gloux.]), 1874 *Chase the Lion* Mark Batterson, 2019-04-23 Quit playing it safe and start running toward the roar Now available for the first time in a convenient paperback edition and featuring a brand new group discussion guide When the image of a man eating beast travels through the optic nerve and into the visual cortex the brain sends the body a simple but urgent message run away That s what normal people do but not lion chasers Rather than seeing a five hundred pound problem they see an opportunity for God to show up and show His power Chase the Lion is more than a catch phrase it s a radically different approach to life It s only when we stop fearing failure that we can fully seize opportunity by the mane With grit and gusto New York Times best selling author Mark Batterson delivers a bold message to everyone with a big dream This is a wake up call to stop living as if the purpose of life was to simply arrive safely at death Our dreams should scare us They should be so big that without God they would be impossible to achieve Quit running away from what you re afraid of Chase the lion Change the world What is your five hundred pound dream In this highly anticipated sequel to his best selling *In a Pit with a Lion on a Snowy Day* Mark Batterson invites lion chasers everywhere to chase dreams so impossible that victory demands we face our fears defy the odds and hold tight to God These are the kind of dreams that will make you a bigger person and the world a better place Based upon 2 Samuel 23 Chase the Lion tells the true story of an ancient warrior named Benaiah who chased a lion into a pit

on a snowy day and then killed it For most people that situation wouldn't just be a problem it would be the last problem they ever faced For Benaiah it was an opportunity to step into his destiny After defeating the lion he landed his dream job as King David's bodyguard and eventually became commander in chief of Israel's army under King Solomon Written in a way that both challenges and encourages this revolutionary book will help unleash the faith and courage you need to identify chase and catch the five hundred pound dreams in your life
