Authored by award winning technology journalist Ian Lamont, the revised third edition of Twitter In 30 Minutes covers Twitter's new interface for the Web and mobile devices such as the iPhone and Android phones. There are new screenshots along with instructions for registration on iOS and Android devices. Twitter In 30 Minutes is a perfect introduction to people who are new to Twitter as well as those who already have accounts and want to learn how to get the most out of Twitter. Buy the book today! Here's what real readers are saying about TWITTER IN 30 MINUTES I quickly set up a Twitter account and started using it within a half hour. I would recommend this book for anyone who doesn't have a Twitter account for those who do have one but aren't actively using it and for those who aren't quite sure how to get the most out of their account. Though I have been using Twitter for some time now I still learned a thing or two from reading this. Clarified any issues I had or concerns and listed some excellent precautions. Perfect introduction to Twitter. Quick and easy read with lots of photos I finally understand the I've been tweeting for over a year but learned a lot of helpful details I hadn't been aware of until now. Lots of easy to understand info and good instructions with screenshots that make it easy to understand. Thanks for the help and making Twitter even more fun. Just the quick light intro I wanted. No annoying bits of philosophy. Some careful warnings about privacy and courtesy are included. You really can skim it in 30 minutes. Easy to read and actually fun to fire up my twitter account and play along with each chapter. Everyone has 30 spare minutes spread out over a week if not a day to read this guide.
