Myth Retelling Novel Paperback:

Orpheus in the Bronx Reginald Shepherd, 2010-02-05 Orpheus in the Bronx not only extols the freedom language affords us it embodies that freedom enacting poetry's greatest gift the power to recognize ourselves as something other than what we are These bracing arguments were written by a poet who sings James Longenbach A highly acute writer scholar editor and critic Reginald Shepherd brings to his work the sensibilities of a classicist and a contemporary theorist an inheritor of the American high modernist canon and a poet drawing and playing on popular culture while simultaneously venturing into formal experimentation In the essays collected here Shepherd offers probing meditations unified by a resolute defense of poetry's autonomy and a celebration of the liberatory and utopian possibilities such autonomy offers Among the pieces included are an eloquent autobiographical essay setting out in the frankest terms the vicissitudes of a Bronx ghetto childhood the escape offered by books and gifted status preserved by maternal determination early loss and the equivalent of exile and the formation of the writer's vocation With the same frankness that he brings to autobiography Shepherd also sets out his reasons for rejecting identity politics in poetry as an unnecessary trammeling of literary imagination His study of the urban pastoral from Baudelaire through Eliot Crane and Gwendolyn Brooks to Shepherd's own work provides a fresh view of the place of urban landscape in American poetry Throughout his essays as in his poetry Shepherd juxtaposes unabashed lyricism historical awareness and in your face contemporaneity bristling with intelligence A volume in the Poets on Poetry series which collects critical works by contemporary poets gathering together the articles interviews and book reviews by which they have articulated the poetics of a new generation *Department of the Interior and Related Agencies Appropriations for 1999* United States. Congress. House. Committee on Appropriations. Subcommittee on Department of the Interior and Related Agencies, 1998 Medusa Rosie Hewlett, 2025-09-04 Praise for Rosie Hewlett Delightfully devastating Bea Fitzgerald author of *Girl Goddess Queen* A fiery and dramatic novel Jennifer Saint author of *Ariadne* Vivid and powerful Luna McNamara author of *Psyche and Eros* You know her name you know her story Just not the right one Within the depths of the Underworld the formidable snake haired Gorgon has finally had enough Tired of being eternally and unjustly brandished a villain Medusa has found the courage to face her tragic past and speak out Determined to expose the centuries of lies surrounding her name Medusa gives unparalleled insight into her cursed life from her earliest memories and abandonment at birth right through to her tragic and untimely death at the hands of the hero Perseus Through telling her story Medusa finally reveals the lost truth behind antiquity's most infamous monster Medusa breathes new life into an ancient story and echoes the battle that women throughout millennia have continued to wage the opportunity to simply be heard Readers love Rosie's writing This book is up there with *Song of Achilles* as one of my all time favourite retellings Heart breaking and beautiful Any readers of mythological retellings struggling to find a rival to Madeline Miller should look no further than Rosie Hewlett Absolutely spellbinding Dark moody at times heartbreaking and utterly phenomenal this book is

an absolute must read for any fans of Circe or Ariadne **Deep Splendor** Robert P. Vande Kappelle,2021-12-02 People concerned with spirituality are seekers instead of possessing truth they seek to be possessed by it Thus a fully spiritual person is forever learning and growing William Blake the seminal mystic poet who worked to bring about change both in the social order and in common ways of thinking taught that all we need to do is cleanse the doors of perception and we shall see things as they are infinite And nothing cleanses and enlarges the doors of perception like great literature Whether it be poetry a short story a novel historical fiction fantasy literature or biographical writing the literary experience is slightly beyond a reader s horizon of understanding When literature enhances spirituality as is true of the dozen or more selections examined in Deep Splendor each literary moment confounds in order to keep us forever enthralled forever longing The authors and works examined in this study explore timeless spiritual themes such as coming of age relationships self integration the struggle of good versus evil the nature of change and the corruptive aspects of power When we think about great literature it is easy to focus objectively on the literature itself on what makes literature bad or good However another essential distinction involves the reader replacing the category good book with that of good reader As master teacher C S Lewis wrote a quality of good readers is that they seek an enlargement of their being Deep Splendor will teach you how to read great literature and how to be a good reader **Kliatt Young Adult Paperback Book Guide** ,2005 **Mythprint** ,2007 *Bookseller* ,1998 **Beyond Babar** Sandra L. Beckett,Maria Nikolajeva,2006-08-19 All too often attention is paid only to those children s novels that were written in English with non English language works being passed over and neglected Beyond Babar The European Tradition in Children s Literature examines eleven of the most celebrated European children s novels in substantial critical essays written by well known international scholars This approach provides a comprehensive discussion of the selected works from a variety of theoretical perspectives Each essay offers a critical introduction to the text that can serve as a point of departure for literary scholars professors of children s literature primary and secondary school teachers and librarians who are interested in texts that cross languages and cultures Beyond Babar is especially meant to assist instructors of children s literature who would like to use these texts in the classroom in order to begin to redress the English language dominance of many children s literature courses This volume will also be of interest to the general public as its ultimate aim is to bring to the attention of all English speaking readers the literature from other parts of the world in this case from Europe Beyond Babar helps to facilitate the border crossings of these European masterpieces of children s literature into the English speaking world *Literature for History-social Science* ,1993 *Science Fiction, Fantasy, & Horror* ,1986 *The Book of Firsts* Ian Harrison,2005 *Science Fiction and Fantasy Book Review* Neil Barron,R. Reginald,Robert Reginald,2009-11 Science Fiction Fantasy Book Review was founded in 1979 to provide comprehensive coverage of all the major and minor books being released in the genre at that time This was the golden era of SF publishing with a thousand titles old and new hitting the stands and the bookshelves each and every year

From the older classics to the newest speculative fiction this was the period when the best and the brightest shined forth their talents SF FBR included reviews by writers in the field by amateur critics and by litt rateurs and University professors Over a thousand books were covered during the single year of publication many of them having been reviewed no where else before or since The January 1980 issue includes a comprehensive index of all the works featured during the preceding year This reprint will be a welcome addition to the literature of science fiction and fantasy criticism Neil Barron is a retired bibliographer and literary critic editor of the acclaimed Anatomy of Wonder series Robert Reginald was the publisher for twenty five years of Borgo Press and has authored over 110 books of his own Great Books for Every Book Lover Thomas J. Craughwell,1998 Can t decide what to read Imagine a list of the greatest books described in concise insightful and witty profiles to browse in search of the next perfect read 2002 Great Books for Every Book Lover offers all this and more reviewing each book with the wit and wisdom of a seasoned book critic in this unique and useful reference that belongs in every bibliophile s library Readers will love the broad selection of titles learning about famous authors and finding or recommending the next perfect read for themselves friends and family every type of book is covered Each of the 2002 book profiles roughly one paragraph long gives a short summary historical context information about the author why the book was important and other recommended reads by the same author Indexes make it easy to find books by subject title or author A tear off list gives readers a handy in store reference and a check off list helps track all the books they ve read **The World Book Encyclopedia** ,1992 An encyclopedia designed especially to meet the needs of elementary junior high and senior high school students **Ariessy of Midgard** L B Arthur,2021-05-05 Large Print Edition Ariessy Taylor isn t like other seventeen year olds She s a Seiva one of many magical beings living alongside humanity in secret And when her health declines deep down she knows that she is different from the others When the Vald find her fighting for her life a hidden truth comes to light which reveals the answer she s been looking for but changes her life for ever Survival comes at a cost Is freedom worth dying for or can her secret save her This old Norse mythological retelling will keep you turning pages Includes themes such as inclusion diversity coming of age environmental issues identity and belonging Large Print Books Are Ideal For Younger Readers Visually Impaired Community Senior Citizens ESL and Reluctant Readers People with Dyslexia Eye Strain Sufferers *Feminist Bookstore News* ,1992 *Fantasy Review* ,1985 **The Children of Jocasta** Natalie Haynes,2018-11-13 A dark elegant novel of two women in ancient Greece based on the great tragedies of Sophocles Publishers Weekly Thebes is a city in mourning still reeling from a devastating plague that invaded every home and left the survivors devastated and fearful This is the Thebes that Jocasta has known her entire life a city ruled by a king her husband to be Jocasta struggles through this miserable marriage until she is unexpectedly widowed Now free to choose her next husband she selects the handsome youthful Oedipus When whispers emerge of an unbearable scandal the very society that once lent Jocasta its support seems determined to destroy her Ismene is a girl in mourning longing for the golden days of her youth days spent lolling in the

courtyard garden reading and reveling in her parents happiness and love Now she is an orphan and the target of a murder plot attacked within the very walls of the palace As the deadly political competition swirls around her she must uncover the root of the plot and reveal the truth of the curse that has consumed her family The novel is based on Oedipus Tyrannus and Antigone two of Classical Greece s most compelling tragedies Told in intersecting narratives this reimagining of Sophocles s classic plays brings life and voice to the women who were too often forced to the background of their own stories After two and a half millennia of near silence Jocasta and Ismene are finally given a chance to speak Haynes s Thebes is vividly captured In her excellent new novel she harnesses the mutability of myth *The Guardian* **Breaking the Myth** Skye MacKinnon, Roz Marshall, Arizona Tape, K.C.
