Local Anesthesia for the Dental Hygienist- E-Book

Dental Hygienist- E-Book Demetra Daskalo Logothetis, 2011-06-10 Written by a dental hygienist for dental hygienists. Local Anesthesia for the Dental Hygienist helps you learn the safe and effective administration of local anesthesia. Coverage is tailored to fit the role and needs of the dental hygienist and promotes patient centered care by integrating discussions of the Human Needs Paradigm with complete instructions for local anesthesia administration. Full color photographs illustrate specific injection techniques and colorful illustrations show dental anatomy. Written by experienced educator Demetra Logothetis, this reference presents material at the right level for dental hygienists and prepares you for success both on your licensure exam and in your career. Nearly 450 high quality images include full color photographs showing injection techniques and illustrations of dental anatomy. Supportive approach acknowledges not only the patient's fear of injection but also the fears of the inexperienced clinician. A focus on the Human Needs Paradigm relates dental hygiene care to the eight human needs. Case studies make it easier to apply knowledge to real life patient interactions and to develop problem solving skills. Technique Procedure boxes provide step by step instructions for performing specific procedures. Dental Hygiene Considerations boxes provide tips and key points for optimal care. Color coded local anesthetic tables help in distinguishing among specific categories of agents and match the color codes of the American Dental Association ADA. Key terms begin each chapter and are highlighted within the text. A glossary defines each term. Learning objectives begin each chapter and set goals for what you will accomplish. They also help you study for examinations. Review questions at the end of each chapter provide the opportunity to assess your understanding with answers posted on the companion Evolve website. Summary tables and boxes offer at a glance access to concepts, procedures and techniques. Expert author Demetra Logothetis is a dental hygiene educator with 15 years of experience teaching local anesthesia administration. A companion Evolve website includes a 300 question mock examination, technique exercises, glossary, exercises, test taking tips and strategies, competency skill sheets, content updates and answers to the chapter review questions along with rationales and page number references.
