**Cable TV Wiring** James O'Donohue,2012-07-01 Whether you're looking for help to hook up a cable box troubleshoot a TV or Internet problem or rewire your whole house for cable TV service phone or Internet look no further the Cable TV Wiring book can help you. Written with the do it yourself homeowner in mind the following chapters break down the components that make up the cable TV system in your home. One secret every professional technician knows is when it comes to years of trouble free service forget all the technical jargon sticking to the basic fundamentals is key. With help from name brands like IDEAL NETGEAR LEVITON MONSTER HDMI and EXTREME BROADBAND the Cable TV Wiring book offers plenty of pictures and easy to read text. It's a well known fact that some stores are selling sub standard wire and consumers are buying and installing sub standard wire in their homes. Many times this poor wiring leads to poor service on your TV phone and Internet. With the Cable TV Wiring book you will learn about differences in wiring connectors and signal amplifiers as well as how to make proper connections which splitters to use and the ones to avoid plus much more. Many cable companies are charging customers to send a truck out to repair simple problems inside the home or problems caused by the customer. With a little know how you can perform the most common repairs on your own. If this book saves you the cost of one service call it will have paid for itself.
