A Century of British Foreign Policy (Classic Reprint) G. P. Gooch, 2018-02-28 Excerpt from A Century of British Foreign Policy The two essays contained in this volume were written at the suggestion of the Council for the Study of International Relations It was felt that there was considerable need of a concise treatment of British Foreign Policy during the last century and the Council wishes to acknowledge its indebtedness to Mr G P Gooch and the Rev Canon Masterman for supplying this need It is to be hoped that the book will be found of value to all who desire to understand the development of British foreign relations It should be pointed out that the Council for the Study of International Relations exists solely to encourage and assist the study of international relations from all points of view the books and pamphlets which it publishes or recommends are selected with that object alone in view and the Council is not to be regarded as necessarily sharing the views set forth in them About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
