**Bottle Grove** Daniel Handler,2019-08-27 A razor sharp tale of two couples two marriages a bar

and a San Francisco start up from a best selling award winning novelist This is a story about two marriages Or is it It begins with a wedding held in the small San Francisco forest of Bottle Grove bestowed by a wealthy patron for the public good back when people did such things Here is a cross section of lives a stretch of urban green where ritzy guests lustful teenagers drunken revelers and forest creatures all wait for the sun to go down The girl in the corner slugging vodka from a cough syrup bottle is Padgett she's keeping something secreted in the woods The couple at the altar are the Nickels the bride is emphatic about changing her name as there is plenty about her old life she is ready to forget Set in San Francisco as the tech boom is exploding Bottle Grove is a sexy skewering dark comedy about two unions one forged of love and the other of greed and about the forces that can drive couples together into dependence and then into sinister even supernatural realms Add one ominous shape shifter to the mix and you get a delightful and strange spectacle a story of scheming and yearning and foibles and love and what we end up doing for it and everyone has a secret Looming over it all is the income disparity between San Francisco's tech community and everyone else

*Adverbs* Daniel Handler,2009-10-06 Hello I am Daniel

Handler the author of this book Did you know that authors often write the summaries that appear on their book's dust jacket You might want to think about that the next time you read something like A dazzling page turner this novel shows an internationally acclaimed storyteller at the height of his astonishing powers Adverbs is a novel about love a bunch of different people in and out of different kinds of love At the start of the novel Andrea is in love with David or maybe it's Joe who instead

falls in love with Peter in a taxi At the end of the novel it s Joe who s in the taxi falling in love with Andrea although it might not be Andrea or in any case it might not be the same Andrea as Andrea is a very common name So is Allison who is married to Adrian in the middle of the novel although in the middle of the ocean she considers a fling with Keith and also with Steve whom she meets in an automobile unless it s not the same Allison who meets the Snow Queen in a casino or the same Steve who meets Eddie in the middle of the forest It might sound confusing but that s love and as the author me says It is not the nouns The miracle is the adverbs the way things are done This novel is about people trying to find love in the ways it is done before the volcano erupts and the miracle ends Yes there s a volcano in the novel In my opinion a volcano automatically makes a story more interesting

[The Slippery Slope](#) Lemony Snicket,2004 Klaus and Violet attempt to follow their sister who is trapped by Count Olaf in a car driving fast up the mountain First they must stop the caravan they are travelling in hurtling over a cliff

**The Miserable Mill** Lemony Snicket,2001 As their outrageous misfortune continues the Baudelaire orphans are shipped off to a miserable boarding school where they befriend the two Quagmire triplets and find that they have been followed by the dreaded Count Olaf
