approach to productivity inspired by the work of world renowned experts on the topic from productivity specialists Brian Tracy and Jim Rohn to personal development masters like Steve Pavlina and even multimillionaires like Dan Lok You'll go from procrastination to getting things done. Now you might be thinking Okay but there are myriads of productivity books out there. What makes this one so special? That's a great question. Here are 4 reasons why you should buy this book:

1. This book offers a fresh new approach to productivity. This isn't the same old same old that's recycled throughout so many books on the market. What you'll learn in this book will dramatically change the way you think of productivity and will allow you to drastically increase your efficiency.
2. You'll receive a productivity workbook at no extra cost to help you take action and ensure that you get real results. Many books give you helpful information but don't tell you how to use it, leaving you floundering despite your new knowledge. Not so with this book. It contains invaluable information and I'm dedicated to making sure that you get the most out of it. The free workbook is just one of several ways that I'll support you along the way.
3. You'll learn only the most powerful productivity techniques. What I'll teach you are simple yet powerful techniques. Nothing less. No fluff, no short term productivity hacks and tips that don't work in the long run.
4. It comes with a LIFETIME money-back guarantee. My goal is to provide quality content to my readers. If you are not satisfied with this book, you can contact me for reimbursement at any time. You have nothing to lose.

Now for the Benefits You'll Get from Applying What is Taught in this Book:

- You'll enjoy more free time and you can spend it however you see fit.
- You'll achieve goals and tasks that truly matter to you as you learn to replace procrastination with daily action.
- You'll reap long term financial success as you shift your perception of productivity.
- Your self esteem will increase dramatically and you'll respect yourself more and more each day as you consistently accomplish what you set out to do.

Here is a Preview of What You'll Learn:

- The REAL reason you aren't productive.
- Why getting things done is so difficult.
- Why productivity hacks rarely work.
- How and why you devalue your time.
- How to overcome procrastination and turn yourself into a massive action taker.
- How to plan your day for maximum productivity.
- How to use extreme focus to unleash your productivity.
- How to use the 1 X 1 X 1 Rule to supercharge your productivity.
- How the power of leverage can take your productivity to a whole new level.
- The 7 most powerful questions you should ask yourself every day.
- Much much more.

Time is your most valuable asset. So would you like to learn how to make better use of it for less than the price of a cup of coffee? You wouldn't have read up to this point if you weren't serious about making better use of your precious time. Now you can go back to procrastinating or click the BUY BUTTON and download your copy today. The choice is yours.

[How to Think More Effectively](#) The School of Life, 2020-01-23

A guide to identifying, nurturing and growing our insight and creativity for more effective thinking. We know that our minds are capable of great things because every now and then they come out with a very brilliant idea or two.
