I have mine set to free to follow, \$30 premium where I post picture sets (15-30 pics) twice a week, and short video 1-2 per week. And then \$50 platinum which adds 2-4 full length videos per month and pictures with face.

I also set everything so they can purchase it separately without being subscribed at all. Each photo set is \$10 and videos are usually \$10/min

My content is fetish/kink related so it's a little higher but hopefully that gives you some insight to what you'd be comfortable pricing!
