Engineering Materials Manual Theodore C. Du Mond, 1951 Handbook of Veterinary Drugs Dana Gray Allen, John K. Pringle, Dale A. Smith, 1998 The second edition of this formulary provides information about drugs for all types of veterinary practices From companion dogs cats exotics reptiles birds and fish to horses cattle goats sheep and pigs the handbook provides guidance on daily practice Each section begins with tables of dosages followed by descriptions of commonly prescribed medications Each entry includes the drug name along with US and Canadian trade names followed by sections on indications adverse and common side effects drug interactions formulations and other uses There are conversion tables and formulae and an index which allows readers to look up either the generic or brand name for rapid access to the relevant information Included in the adverse effects section are long term human exposure considerations as required by US regulatory offices **Country Guide and Nor'west Farmer** ,1926 **Handbook of Theories of Social Psychology** Paul A M Van Lange, Arie W Kruglanski, E Tory Higgins, 2012 The first volume in this innovative two volume set provides a comprehensive exploration of the major developments of social psychological theories that have taken place over the past half century culminating in a state of the art overview of the primary theories and models that have been developed in this vast and fascinating field Volume One covers Biological Evolutionary Level of Analysis Cognitive Level of Analysis Content Model and Motivational and Affective Level of Analysis Authored by leading international experts each chapter represents a

personal and historical narrative of the theory's development including the inspirations, critical junctures and problem solving efforts that effected theoretical choices and determined the theory's impact and its evolution. Unique to this handbook, these narratives provide a rich background for understanding how theories are created, nurtured and shaped over time and examining their unique contribution to the field as a whole. To examine its societal impact, each theory is evaluated in terms of its applicability to better understanding and solving critical social issues and problems. The Handbook of Theories of Social Psychology, Volume One is an essential resource for researchers and students of social psychology and related disciplines.

Veterinary Drug Handbook Donald C. Plumb, 1995. The fourth edition of Donald Plumb's Veterinary Drug Handbook remains the resource every veterinarian needs within reach. This one volume comprehensive coverage of the systemic drugs used in veterinary medicine and an extensive appendix makes it an essential tool.
