Johansen's series manages to be both politically charged and accessible reading I admire the protagonist's keen skills in politics and diplomacy and thought it would serve me well when it came to writing about my protagonist's place on the throne My project is not a political fantasy but with my protagonist being in a royal role I want to be competent at writing political undertones and subplots to make her place on the throne believable *Heart Of The Billionaire* JL Ryan, Curvy girl Sierra Ford regrets that she agreed to impersonate her friend on a blind date but she feels obligated to repay her friend for bailing her out of numerous shady situations The minute she arrives at the restaurant to meet her mystery man she wants to leave but knows her friend will kill her if she does When she sees her date for the first time she almost passes out She recognizes him as billionaire A J Trager Why would he need to find a girlfriend on a blind date Beautiful women throw themselves at him 24 hours a day He can have anyone he wants As their date progresses Sierra and A J seem to be hitting it off but he almost seems too interested in her Is he really attracted to this plus size plain Jane or is he hiding a scandalous secret from his past that could rock her to the core Books included in this boxed set book series His Curvy Assistant The BBW's Secret Surprise The Billionaire's Gift The Billionaires Caregiver The Billionaire's Wish The Billionaire's Secret The Billionaire's Desire The Billionaire's Addiction Unexpected Romance For Keeps Lost Love Second Chance Romance Read Now keyword phrases small town romance feel good romance fake dating forbidden romance friends to lovers enemies to lovers billionaire romance contemporary romance romantic comedy bestseller contemporary women women's fiction grumpy sunshine romantic suspense romantic comedy short stories romance short stories bestselling books alpha male romance curvy curvy girl romance happily ever after second chance romance holiday romance beach reads best friend romance love story sweet romance spicy romance steamy romance series romantic comedy series racy sexy heartwarming family relationships dating books ebooks new adult romance urban romance boxed set book bundle book series love story office romance sexy books erotic romance fantasy heart warming romance family love love books kissing books emotional journey contemporary romance romance series long series long romance series sassy plus size romance bbw bbw romance captivating romance hot hot romance forbidden love sparks loyalty swoon wicked dirty fierce alpha heroes funny romance laugh romance modern romance short story smart romance good books to read romance ebooks romance historical romance dark romance billionaire billionaire romance love story millionaire wealthy heroes happily ever after happy ending lighthearted romance light romance romance for adults contemporary romance funny romance new swoonworthy romance series romance books beach reads fun books fun books to read funny books thriller books suspense romance suspense book lovers new adult small town books for women modern romance booktok books booktok funny female stories sensual sensual romance alpha male dominant male hot guy fun reads love and friendship new romance series hot romance series new small town series book boyfriend steamy romance romance series family romance friend romance friends to lovers contemporary crush love story romance love new adult romance contemporary romance and sex romance billionaire
