A Critique of Judgment in Film and Television S. Panse, D. Rothermel, 2014-04-24 A Critique of Judgment in Film and Television is a response to a significant increase of judgment and judgmentalism in contemporary television film and social media by investigating the changing relations between the aesthetics and ethics of judgment Beta Bucks, Alpha Fucks Conrad Riker, 101-01-01 Tired of Being a Disposable A T M in a Woman s World Discover How to Weaponize Truth Master the System and Live Free Do you feel cheated by a society that demonizes your masculinity but still demands your labor money and silence Are you exhausted by endless shit tests and the fear that love is just a transaction in a gynocratic regime Worried your life s value boils down to a paycheck and your death to an inheritance grab How this book will change your life trajectory Expose the empathy gap that lets society shrug at male suffering while coddling female whims Decode evolutionary psychology Why women can t love you the way you love them and why that s not your fault Crush the family court s industrial oppression with cold systematic strategy not hopeless rage Hack your biology Use biofeedback to erase anguish not pills or therapists who blame you Turn toxic masculinity traps into unshakable purpose without apologizing for existing Sidestep the marriage plantation s tax farms and emotional serfdom Borrow Job s grit and Christ s sacrifice without becoming a martyr for ingrates Build a life women can t confiscate ikigai brotherhood and legacy that outlives their lies If you re done being a cog in the gynocracy s machine and ready to forge a life that s truly YOURS buy this book today Your future self will thank you **A Tale of Two Villains** Calvin Cherry, 2022-10-18 Prepare to be delightfully surprised to discover that the godfather of all vampires and the infamous dark wizard share a deep character bond that goes far beyond the title monster Be intrigued to uncover what a coffin and a horcrux share or to dig further to unearth that the often overlooked scars which Bram Stoker wrote of in Victorian England are just as significant as those described by J K Rowling in the modern era Indeed it cannot be a mere coincidence that Dracula was hurt in 1897 and 100 years later Harry is too Bookshelves and databases are full of fascinating sources celebrating the supernatural worlds created by beloved authors Bram Stoker and J K Rowling The millions of fans of Dracula and Harry Potter consist of all age groups and varied enthusiasm ranging from a curious reader or leisure cinema observer to seriously devoted academic scholars However followers of each universe have been chiefly segregated rarely mingling apart from an occasional culture convention widely dominated by Star Wars Star Trek and Marvel heroes groupies This is most unfortunate because Stoker and Rowling readers have a lot in common This is because Count Dracula and Lord Voldemort have much in common In fact these two internationally acclaimed bestselling novels possess a remarkable kinship A Tale of Two Villains is a love letter to both sets of fans paying homage to two superb authors and their extraordinary respective works It is the first text to set both masterpieces on pedestals side by side analyzing the words on the page and the thoughts behind them exploring their similar themes unique parallelism and mystical symbolism The author delves profoundly into the interesting characters their traits
