Wendy Harrop, 2018-07-15 *Coding for Children and Young Adults in Libraries* is an all inclusive guide to teaching coding in libraries to very young learners as young as 4 or 5 years old. This book will provide all librarians whether they are brand new to the idea of coding or fairly experienced with it with both the foundation to understand coding and tools they can use. The book features lessons ideas and information about the newest and the best coding tools and templates for creating coding clubs and classes. It also provides options for all technology environments for those libraries with very few devices available to those with many to choose from. Readers will both learn the essentials for teaching coding to young kids as well as how to organize coding programming in the library. This book takes an in depth look at what tools are available both high tech and low to help kids learn this important skill. Whether you're novice or experienced in the world of coding this book will have what you need to set up library coding clubs, help kids with game design and even program robots.

*20 Years of PEZ Collectors News: Part 2 of 2, pages 66-144*

Richard Belyski, 2016-02-13 Over the course of 20 years the early years of publishing PEZ Collectors News we had some really great stories that were written by respected PEZ experts. It includes ground breaking information interviews and of course basic PEZ collecting information. Most of the stories and information has been buried and forgotten for years. Time to dig it up and share it with the hobby again plus add some new never before seen items. There is something for everyone new collectors to advanced. Everyone will find this book interesting and informative. We have stories that cover the History of PEZ, Basic Collecting information, PEZ Terms, Identifying PEZ, PEZ Variations, Cleaning PEZ, Displaying your PEZ collection, Collecting tips, Interviews, Fun Stories and much much more.

Think-A-Lot-Tots: Stem Cells Thomai Dion, 2017-02-26 It's never too early to start learning. Questions such as Where do babies come from and How are our bodies made are the first to be asked as our children grow and become self aware. Take a scientific approach to these interesting inquiries by introducing your little one to the concept of stem cells with this book. As the foundation and future of science and medicine Think A Lot Tots Stem Cells talks about what stem cells are, any why they are important. This colorful and educational picture book will help build your child's vocabulary and kickstart early learning. There is no concept too abstract or advanced for tots that think a lot.
