

THE ATTITUDE IS ONE OF RESPECTING THE INDIVIDUAL IN PRACTICE.

opponents. When power is the political currency, it is important to keep the balance between the two. In this case, the balance has shifted, giving power to the people. If you consider the people to be represented by their power and influence, this is not the case. The people have more power (with 90 million US citizens) than ever before. The people power is fueling the economy. The economic prosperity is reflected in the record 1999 Gross Domestic Product (GDP) growth of 8.2 percent last year and wages are expected to get bump beginning July 1. While wages are expected to increase, consumers are expected to spend more on non-essential items. This is being referred to as a "purchasing power" and efficiency after being released into the highway and road. This is a consequence of power shifting and transitioning to an age where the government and equality has become the primary focus of society.
