The Columbia Guide to the Cold War Michael Kort,1998 The Cold War was the longest conflict in American history and the defining event of the second half of the twentieth century Since its recent and abrupt cessation we have only begun to measure the effects of the Cold War on American Soviet post Soviet and international military strategy economics domestic policy and popular culture This reference contains an extensive narrative overview of key events and issues and also features a concise dictionary of terms institutions and people a condensed chronology and an annotated resource section listing books articles films novels websites and more than forty CD ROMs on Cold War themes and topics    *Resources in Education* ,1993    Home and School Reading and Study Guides Donna M. Lusardi,Rosemarie Kent,2007    **Monthly Catalog of United States Government Publications** ,2000    **Environmental Toxicants** Morton Lippmann,2000 This authoritative text critically reviews current knowledge on human exposure to selected chemical agents and physical factors in the ambient environment It provides up to date information and research for performing risk assessments    Student Handbook Stephen Armstrong,Pamela K. Lamb,Mark Anestis,William Ma,Barbara L. Murphy,2000 The Student Handbook is designed to provide students with ready access to information with problem solving techniques and study skill guides that enable them to utilize the information in the most efficient manner Amazon com    *The Origins of the Cold War* ,2006    **Environmental Cleanup at Navy Facilities** National Research Council,Division on Earth and Life Studies,Water Science and Technology Board,Committee on Environmental Remediation at Naval Facilities,2003-08-16 The number of hazardous waste sites across the United States has grown to approximately 217 000 with billions of cubic yards of soil sediment and groundwater plumes requiring remediation Sites contaminated with recalcitrant contaminants or with complex hydrogeological features have proved to be a significant challenge to cleanup on every level technologically financially legally and sociopolitically Like many federal agencies the Navy is a responsible party with a large liability in hazardous waste sites Environmental Cleanup at Navy Facilities applies the concepts of adaptive management to complex high risk hazardous waste sites that are typical of the military EPA and other responsible parties The report suggests ways to make forward progress at sites with recalcitrant contamination that have stalled prior to meeting cleanup goals This encompasses more rigorous data collection and analysis consideration of alternative treatment technologies and comprehensive long term stewardship    **Ontario Library Review and Book-selection Guide** ,1924    The American Historical Association's Guide to Historical Literature American Historical Association,1995 Contains nearly 2 000 annotated citations primarily English language works divided into forth eight sections citations refer chiefly to works published between 1961 and 1992    Unsung Hero of the Falklands War Anthony Cumming,2025-12-30 The contribution of Commodore Michael Clapp has been overlooked when compared with the

other senior Falklands commanders and the time is ripe to redress the balance Despite commanding the Amphibious Task Group and being responsible for Operation Sutton the successful San Carlos landing Clapp was overlooked for promotion instead received several snubs including not being allowed a seat at the top tables of public events celebrating this stunning victory Sadly his naval superiors showed no interest in learning the amphibious lessons of the War preferring to focus on supporting the Army in a potential conflict with the Soviet Union in Europe Michael Clapp's career has illustrated many of the corrosive effects of inter service rivalry and the author asks if the military establishment has now lost interest in amphibious operations in their purest form This highly readable and controversial work covers Clapp's distinguished wider career which included active service in Korea the Cyprus Emergency and the Indonesia Malayan Confrontation where he gained a reputation for decisive action He was an observer and squadron commander in the Fleet Air Arm took command of several warships and served in staff posts playing a crucial role in the introduction of the famous Sea Harrier V STOL strike aircraft before his appointment as Commodore Amphibious Warfare *Television in Black-and-white America* Alan Nadel,2005 La couverture indique Alan Nadel's new book reminds us that most of the images on early TV were decidedly Caucasian and directed at predominantly white audiences Television did not invent whiteness for America but it did reinforce it as the norm particularly during the Cold War years Nadel now shows just how instrumental it was in constructing a narrow conservative and very white vision of America During this era prime time TV was dominated by adult Westerns with heroes like The Rebel's Johnny Yuma reincarnating Southern values and Bonanza's Cartwright family reinforcing the notion of white patriarchy programs that Nadel shows bristled with Cold War messages even as they spoke to the nation's mythology America had become visually reconfigured as a vast Ponderosa crisscrossed by concrete highways designed to carry suburban white drivers beyond the moral challenge of racism racial poverty and increasingly vocal civil rights demands 5
