Split Second Alex Kava, 2011-09-01 Return to the pulse pounding world of FBI special agent Maggie O'Dell in book two of the bestselling series by Alex Kava. They dubbed him the Collector so named for his ritual of collecting victims before disposing of them in the most heinous ways possible. FBI profiler Maggie O'Dell tracked him for two years finally ending their game of cat and mouse. Now Albert Stucky has escaped from prison and he is setting up a new game for Maggie. Some say Maggie O'Dell has lost her edge. Since capturing Stucky she has been walking a tightwire battling nightmares and guilt over the victims she couldn't save. Now that Stucky is loose again she's been pulled out of the field. But as Stucky's trail of victims leads closer and closer to Maggie she is put back on the case under the supervision of Special Agent R.J. Tully. Together they race against the clock to hunt the killer and Maggie finds herself pushed to the very edge. Has her desire to stop Albert Stucky become a matter of personal vengeance? Has she crossed the line? And has that been Stucky's goal all along to make her into a monster?
