*True Crime Audiences and Social Media Engagement* Sidney N. Maddalena, 2021 This study aimed to look at how and why true crime audience members discuss the genre on the Facebook group True Crime Discussion and the reddit forum r/TrueCrime Adopting the Uses and Gratification Theory the following research questions were used to analyze 112 posts total 56 Facebook 56 Reddit posted between March 2020 and May 2020 at the height of the COVID 19 pandemic

- 1 How do true crime female audiences discuss true crime on Reddit's r/True Crime And how do true crime female audiences discuss true crime on Facebook's True Crime Discussion group
- 2 What needs are true crime female audiences aiming to satisfy by consuming and discussing the true crime genre on Reddit's r/True Crime And what needs are true crime female audiences aiming to satisfy by consuming and discussing the true crime genre on Facebook's True Crime Discussion group

The results of the first set of research questions show that users took to their preferred social platform to discuss media recommendations bring to light other social issues such as Black Lives Matter BLM movement and theorize cases together a trend more colloquially known as internet sleuthing The second set of research questions asked what needs these females aimed to fulfill and the most significant finding demonstrated a difference in how they engage on Facebook versus Reddit Users from both aimed to fulfill social integrative needs But Facebook users were more likely to fulfill affective and personal integrative needs while Reddit users were more likely to fulfill cognitive and tension free needs These two online communities provide a unique insight into how consumers use different media platforms for different purposes

**The Community Industry** Richard E. Babb, 2021 Social media is an increasingly important space

for community formation and interactions Coinciding with the rise of social media has been an increasing interest in leftist ideologies once outside the mainstream This analysis seeks to understand the social media site Reddit com s enabling and constraining features on the community r socialism Using the communicative theory of identity and Marxist media theory not only to look at Reddit and r socialism s relationship but five key functions of a media capital economic media sales and media market function commodity circulation domination and the audience Employing a mixed methods approach enabled various data to be analyzed and relationally understood Qualitative content analysis was used to examine user s salient topics and their uses for the community Survey methods were deployed to the community to gather demographic data on the r socialism community and user opinions on the group s relationship with Reddit Finally secondary documents were analyzed to provide greater context to the other findings Findings from the content analysis of salient subjects showed a preference for contemporary capitalist critique socialist quotations and class issues However topics impacting women and other minority groups were light to nonexistent Analysis of platform uses found the top three uses to be a general discussion information seeking and information giving The user survey was plagued by low participation and participants who were under the age of consent As such data from a community administered survey filled in the gaps Secondary document analysis shed light on many features of Reddit particularly how the social media s systems are designed to elicit data and authenticity Reddit sprimary focus was on creating a space suitable for advertising with minimum corporate input To attract users Reddit sells the premise of community and interactions For businesses Reddit serves as an ad platform that can also help brands appear authentic to their customers As part of their role as an ad platform the company has implemented multiple system designs and practices which encourage constant consumption These features also propagate capitalist corporatist and Americanist ideologies dominant in society Community members were diverse in socialist thought but demographically consisted mainly of young suburban urban dwellers with less than five years of interest in socialism Overall the platform s relationship with the community was complex with multiple feedback systems designed to deemphasize individual users and emphasize the group to encourage data exchanges and support advertising
