**Heather Cardona**

## Framework Romantasy Saga:

**The Series Blueprint** Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner. By Book Three, The Series Blueprint is your long-range guide to building a series that actually works from the first book to the final payoff. This isn't a book of rigid formulas or paint-by-numbers outlines. It's a strategic framework for thinking like a series writer, planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to Design a series with a clear destination before plot drift takes over. Choose the right series structure for your genre, audience, and goals. Build book-level arcs that serve a bigger, long-form story. Decide between saga, episodic, or hybrid models with confidence. Track character growth, worldbuilding, and continuity without overwhelming creativity with strategy. Without killing your spark. Finish a series feeling proud instead of burned out. Whether you're planning your first series halfway through a tangled one or staring at a world that no longer makes sense, The Series Blueprint meets you where you are. Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee.

## **Classical Reception and the Rewriting Turn in Contemporary Women's Fiction**

Daniel Nisa Cáceres, Rosario Moreno Soldevila, 2025-11-24 Classical Reception and the Rewriting Turn in Contemporary Women's Fiction raccoglie diverse contributi accademiche nel campo degli studi sulla ricezione classica, concentrandosi in particolare sulla rivitalizzazione e la rielaborazione delle narrazioni mitologiche nella fiction contemporanea di scrittrici anglofone tra cui Margaret Atwood, Pat Barker, Victoria Grossack e Alice Underwood, Natalie Haynes, Emily Hauser, Rosie Hewlett e Madeline Miller. Queste autrici interagiscono con i miti antichi non come narrazioni fisse o fonti di ispirazione, ma come testi dinamici che riflettono e plasmano le preoccupazioni in evoluzione del pensiero femminista moderno. Rielaborando figure come Clitennestra, Andromaca, Medusa e Penelope, queste scrittrici creano nuovi spazi per la soggettività femminile, le dinamiche relazionali, la sorellanza, l'agency e la resistenza, contribuendo a una continua riorganizzazione delle identità di genere e dei valori sociali. Le opere esplorate in questo volume non sono semplici revisioni letterarie, esse rappresentano atti di riappropriazione, offrendo letture sfumate del mito che parlano delle questioni urgenti del nostro tempo: disegualità di genere, violenza sessuale e guerra, giustizia ecologica e il potere stesso della narrazione. Il volume si apre con un'introduzione teorica che definisce e contestualizza questo movimento come il 'rewriting turn', con l'ultimo capitolo che presenta uno studio sulle riscritture femminili nel polisistema letterario spagnolo, invitando studiosi e lettori a un dialogo globale sul ruolo delle scrittrici nella creazione dei miti. Il libro si conclude con un'intervista a Emily Hauser, scrittrice e studiosa del mondo classico. Insieme, i capitoli di questo volume evidenziano il potere trasformativo, addirittura rigenerativo, della ricezione classica nella scrittura femminile contemporanea.
